## **A Report on Celebration of Jal Shakti Diwas**

The climatic changes in India are showing predominant effort on a water crisis catastrophe. It is a perennial challenge and a spectrum of conscious steps are required to be taken in this regard. This issue needs to be addressed collectively by society.

The Jal Shakti Abhiyan (JSA) Campaign is launched by Govt. of India to encourage our students who are an integral part of our society to understand the importance of the water conservation.

Aligned with the Jal Shakti Abhiyan initiative of Government of India, the NSS unit of SCET celebrated “Jal Shakti Diwas “on **22<sup>nd</sup> July 2019** to make our students aware about their responsibility towards the society

As a part of “Jal shakti Diwas” celebration , NSS volunteers conducted awareness sessions on “ **Water Conservation and Water Harvesting** “ in our college. We organised various competition for students on theme “Save Water”. Students enthusiastically participated in Elocution, Poetry writing and Poster making competitions.

Following are some pictures of posters and students involved in the activities.
