FOLLOWED BY PLACEMENT INTERVIEWS ARRANGED ON 19/02/2016**

***A Brief Report***

---

An Expert Talk on “Role of Auditors / Evaluators in Textile Industries” had been arranged on 19/02/2016 at the Department of Textile Technology.

Dr. Binay Kumar Choudhury, General Manager, Certifications ( A Div Of CU Inspections & Certifications India Pvt. Ltd.), Bengaluru had shared his views on the role and responsibilities of Auditors / Evaluators in the field of textiles. Normally, the students of textiles are getting the offers of placements for different departments of textile industries. Dr. Choudhury had highlighted the new area of work for the textile engineers. He had narrated in detail about the importance of certifications and its scope in international market. He had explained the probable areas covered under the certifications like sampling, technical inspections, product certification, system certification, commodity inspections, quality determination, lab analysis etc.

Over 50 students from 2<sup>nd</sup>, 3<sup>rd</sup> and final year textile technology and faculties had attended the said programme.

Also, the company M/s. Control Union had offered the placement option to the final year students. The company is an independent, internationally operating certification body that carries out inspections and issues certificates. It offers a global one-stop-shop for a wide range of certification programs. 16 out of 24 final year students had appeared for GD and written test. The company had shortlisted 6 students for final round of interviews. Finally, Mr. Paldiya Bhavdip had been selected by the company. Salary offered to the student was Rs. 18,000/- + Perks on completion of probation period of 3 months. Student selected will get the opportunity for international exposure.

The programme was ended with the vote of thanks from Prof.(Dr.) P. A. Khatwani
