CONVERSE 2020

'**Converse**--***Have your say...***' is an annual technical festival organized by Information Technology Department since 2007. From 2017 onward it is organized under the banner of **Kshitij.** So it is our tradition and matter of prestige. Now in this pandemic, physical gathering is not possible, so we have made its online **version** in order to continue our tradition.

This time the tagline of **Converse 2020** was "***where fun and technology meets*** ". All events were online and open for students from other institutions as well. Below mentioned are 9 events organized under Converse2020.

List of Events

S. No	Event Name	Brief Description
1.	**IT QUIZ**	Based on concepts related to I.T and Coding
2.	**Logo Making**	Show *your creativeness by making logo of given theme*
3.	**CoDecode**	*Show error solving and coding skill for 'C' programming*
4.	**PYIT 2.0**	*Practice Your Interview Technique (virtual placement)*
5.	**Quizomania**	*Explore your general knowledge*
6.	**Logo Hunt**	*Time based logo identification*
7.	**Vocab-Quiz**	*Test your vocabulary skill*
8.	**Idea Pitching**	*Demonstrate start-up proposal*
9.	**THE SOCIAL DILEMMA**	*Traversing through different platforms of social media to hunt for clues*

Many of the above events have been scheduled in multiple rounds. To effectively manage such events, initial rounds of events (PYIT 2.0, Quizomania) had conducted on **Day-0 i.e. 14th Oct 2020**. The detailed schedule of **Converse 2020** is given in below table.

Schedule

Time	Day 0 (14th Oct 2020)	Time	Day 1 (15th Oct 2020)	Time	Day 2 (16th Oct 2020)
		9:15 am to 9:30 am	**Online Inauguration**	*9:00 to 9:30*	**IT Quiz (Round2)**
		9:30 am to 10:00 am	**Quizomania (Round2)**	*9:40 to 10:40*	**The Social Dilemma**
		10:15 am to 12:15 am	**CoDecode**	*10:50 to 12:20*	**Logo Making**
		1:00 pm to 1:30 pm	**PYIT (Technical Round)**	*1:00 to 2:00*	**PYIT (Group Discussion)**
		1:30 pm to 2:15 pm	**Vocab-Quiz**	*2:10 to 3:10*	**Logo Hunt**
4:00 pm to 4:30 pm	**PYIT (Aptitude Round)**	*2:30 pm to 3:00 pm*	**IT Quiz - (Round1)**	*3:15 to 4:15*	**PYIT (Personal Interview)**
4:45 pm to 5.15 pm	**Quizomania (Round1)**	*3:15 pm to 4:15 pm*	**Idea Pitching**	*4:30 to 5:00*	**Valedictory session**

The success of event is due to untiring efforts put by **Prof. Mukesh Patel** and **Prof. Dhruti Sharma** in cooperation of faculty members and students of IT department. For each event there was **two faculty coordinators, two student coordinators and two volunteers**. The detailed team description for **Converse 2020** is given in the further table.

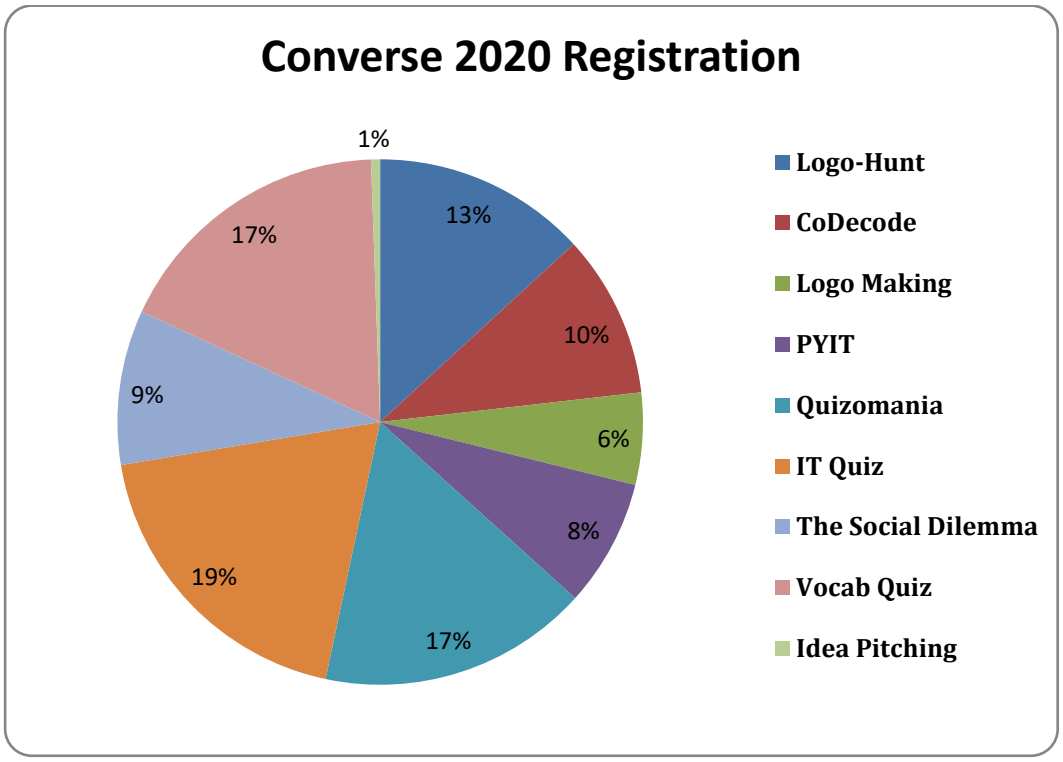
Event-wise list of faculty coordinators and students coordinators

Core Faculty Coordinators	Prof. Mukesh Patel	Dr. Dhruti Sharma
Core Student Coordinators	Nikil Jindal (4th Year)	Vineet Chheda (4th Year)

No	Event Name	Faculty Coordinators	Student Coordinators	Volunteers
1.	IT QUIZ	**Prof. Tushar Gohil** **Prof. Mukesh Patel**	Suvarna Vasava (4th Year) Neel Bansal (3rd Year)	*Rajvi Desai* *(3rd Year)* *Chintan Mistry* *(3rd Year)*
2.	Logo Making	**Prof. Dhanlakshmi Manickraj** **Dr. Dhruti Sharma**	Bhagyesh Jahangirpuria (4th Year) Aakash Lakhani (3rd Year)	*Drashti Thummar* *(3rd Year)* *Rajvi Vora* *(3rd Year)*
3.	CoDecode	**Prof. Hiren Vavaiya** **Prof. Ashish Kharvar**	Samarth Mehta (4th Year) Harshil Nandwani (4th Year)	*Sahil Malaviya* *(3rd Year)* *Pujan Patel* *(2nd Year)* *Yash Jain* *(2nd Year)*
4.	PYIT 2.0	**Prof. Mukesh Patel** **Dr. Mita Parikh** **Prof. Apurva Mandalaywala**	Shreya Brambhatt (4th Year) Drashti Jodhani (4th Year)	*Shivani Varu* *(3rd Year)* *Tank Adarsh* *(3rd Year)*
5.	Quizomania	**Dr. Dhruti Sharma** **Dr. Vivaksha Jariwala**	Yash Gabani (4th Year) Deep Punjabi (3rd Year)	*Jenish Patel* *(3rd Year)* *Arshit Sutariya* *(3rd Year)*
6.	Logo Hunt	**Prof. Bhumika Patel** **Prof. Dhanlakshmi Manickraj**	Lax Kyada (4th Year) Harsh Patel (4th Year)	*Dhruvil Avaiya* *(3rd Year)* *Kenil Moradiya* *(3rd Year)*

7.	**Vocab-Quiz**	**Prof. Apurva Mandalaywala** **Prof. Tushar Gohil**	Niharika Sharma (4th Year) Nidhi Bodar (4th Year)	*Chirag Parmar* *(3rd Year)* *Ravi Ramani* *(3rd Year)*
8.	**Idea Pitching**	**Dr. Mita Parikh** **Prof. Bhumika Patel**	Jay Ramani (4th Year) Mihir Rathod (3rd Year)	*Nency Faganiya* *(3rd Year)* *Mihir Radadiya* *(3rd Year)* *Shreya Savaliya* *(3rd Year)*
9.	**THE SOCIAL DILEMMA**	**Prof. Ashish Kharvar** **Prof. Hiren Vavaiya**	Rinkle Agarwal (4th year) Raj Shah (3rd Year)	*Jensi Anjirwala* *(3rd Year)* *Vrushika Ruwala* *(3rd year)* *Nirav Patel* *(2nd Year)*

The event got grand success with good turnout. A total **of 1784 registration under various events had been noted and 1273 actual participants had taken part in Converse 2020**.



No	Event Name	Registration	Participation
1.	IT Quiz	340	204
2.	Logo Making	101	37
3.	CoDecode	179	135
4.	PYIT	140	96
5.	Quizomania	297	206
6.	Logo-Hunt	235	160
7.	Vocab Quiz	313	286
8.	Idea Pitching	9	9
9.	The Social Dilemma	170	140
	Total	1784	1273

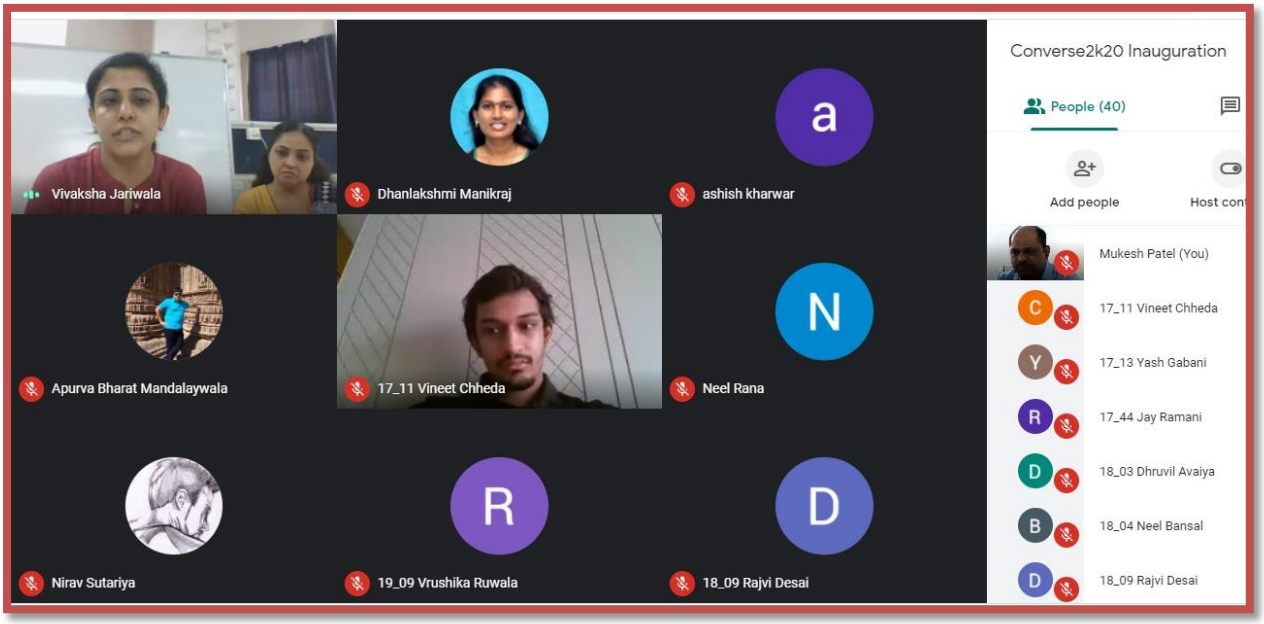
About Student Coordinators

Nikhil Jindal is final year IT student. He is an SSIP incubator at GISC Surat and also received the grant for his project. He has participated in various events, competitions, volunteering work, and projects. During his second year of academic, he has participated in the annual fest of SCET - Verve and won 2nd prize in the group dance (theme) category. Also, he has secured top position in many events and competitions that have been organized in SCET. Besides this he has maintained a decent CPI of 9.26 in his academics too. He is also a core member of the Developer Student Club (DSC) of SCER which is powered by Google.

Vineet Cheeda is final year IT student. He has secured first place in his Semester 1, Semester 2, Semester 4, Semester 6 and remained in first three positions in the other semesters. He is the recipient of Dewang Mehta IT Award which is accredited by NASSCOM for the year 2017-18. He was a part of college kho kho team where he secured first place at district level.

Opening Ceremony

The opening ceremony was held on **15th October,2020 at 9:15am to 9:30 am**. The entire session was handled by student coordinator **Vineet Chheda**. All faculty members of IT department and students from IT department as well as other branches had took part in the ceremony. Vineet had given brief introduction about various events of **Converse 2020.** He had also introduced the team of Converse 2020. He acknowledged the efforts of website and graphics team and marketing team. He had thanked all the faculties for their support in organizing the events. He invited Dr. Vivaksha Jariwala, Head of Information Technology Department to open the event. Dr. Vivaksha Jariwala presented her best wishes to all coordinators and participants and declared the event open.



About Events

IT QUIZ - *Based on concepts related to I.T and Coding*

Do you find IT interesting? The languages, coding, sourcing, platforms, algorithms?? Well this is a perfect event for you to showcase that knowledge

Rules and Guidelines:

- IT quiz will be based on concepts related to I.T and Coding.
- The event will have 2 rounds in which students selected from first round will appear for the 2nd round. 2nd round will be tough compare to the 1st round.
- Students will be asked to join the Google Meet link and the questions will be displayed on it through screen share.
- Students will be asked to download some application in their mobile phones in which they will be able to answer the questions of the quiz.

2nd	Nirav Rangpadiya	IT 3rd Year	SCET
3rd	Riddhi Dhanani	IT 2nd Year	SCET

Glimpse of the event CoDecode

PYIT 2.0 – *Practice Your Interview Technique (virtual placement)*

Do you want to know how well can you do in a Placement drive. Information Technology Department is holding a virtual Placement drive, named PYIT; get the experience of it once to know how well you do. The rounds are

❖ Aptitude round

Aptitude Round consists of online quiz of 30 Questions including Reasoning, Quantitative, Verbal etc. and it is going to be held one after the other on Moodle, the login ID and password would be mailed to all the PYIT participants after the registration ends. The ones, who successfully clear the aptitude round would only be given entry in the technical round.

❖ Technical Round

Shortlisted Candidates after Aptitude round will join the technical round where questions would be based on the basic technological knowledge in the Field of Information technology.

❖ Group Discussion(GD)

Topics of Group discussion will be provided as soon as shortlisted candidates are announced. Links to Google meet would be shared to the shortlisted candidates via Mail or registered whatsapp number, and all the shortlisted candidates must log in before 10 minutes of the starting time. All the participants are supposed to sit away from the screen, in a well-lit room and their hands should be seen free of any material.

❖ Final Interview

After the group discussion, 8 candidates would be shortlisted for the final interview. They will have to mail their resumes on an email address provided on the day of their group discussion at least two hours before the start of the event. The link for interview on google meet would be shared via whatsapp, and the order of interview would be pre-decided. Participants are supposed to be ready and join within 5 minutes of the link sharing. The results would be announced shortly after the interview gets over.

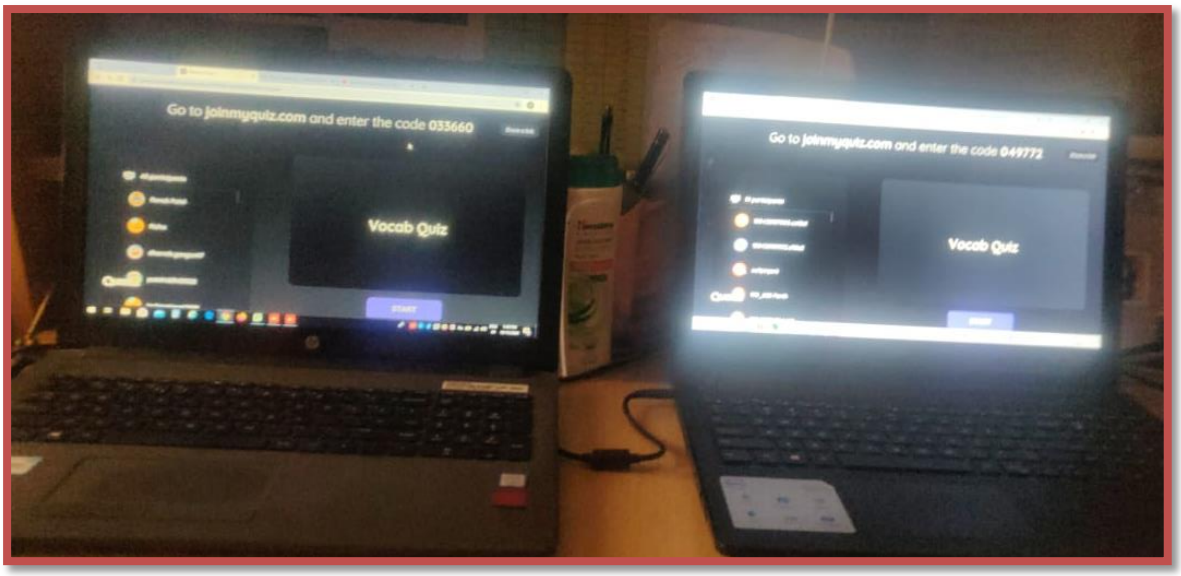
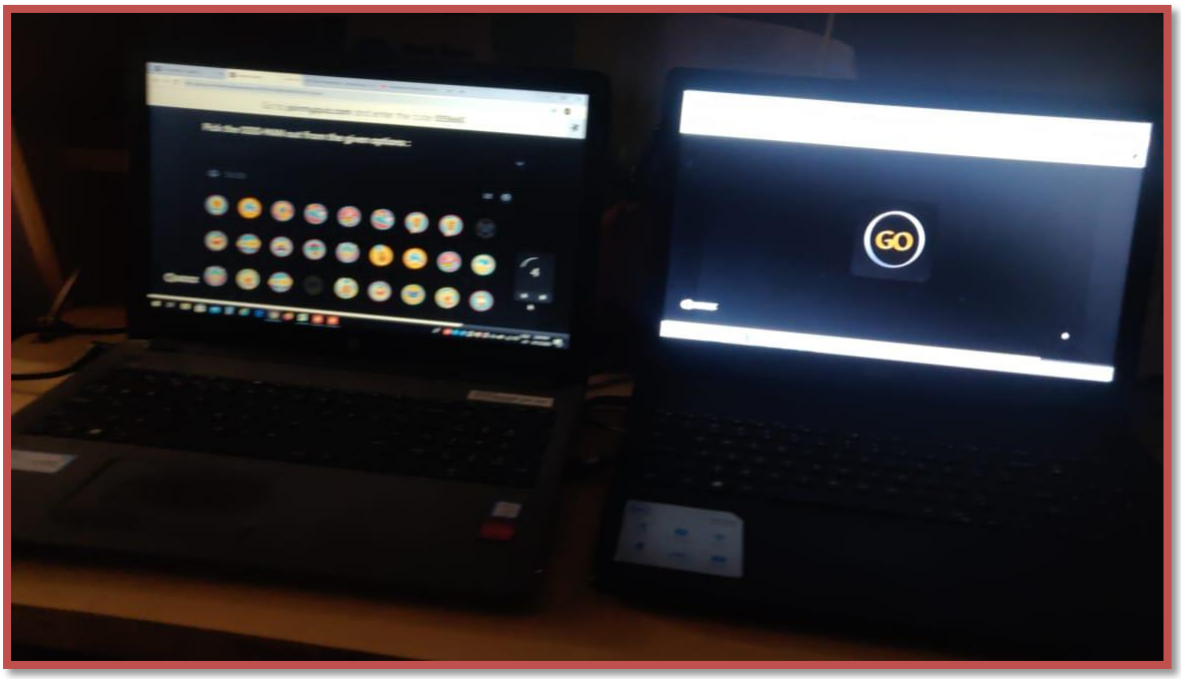
Glimpse of the event





Idea Pitching – *Demonstrate start-up proposal*

Start-ups and idea pitching is an on-going trend amongst our young entrepreneurs. This event will provide them a simulation on how to "pitch your idea" in front of investors and organizations.

Rules and Guidelines:

- Maximum 3 participants per team. Students participating in this event will be asked to fill the Google form which will consists of questions related to their idea and its applications. Selected ideas will be pitched in front of the jury.
- Form should be submitted 48 hours before the screening. So that jury can scrutinize the idea and select it.
- Selected teams have to make a Power point presentation about their idea. Template of PPT will be sent to their mails.
- On the day of screening, teams will be asked to join the Google Meet link. They have to present their idea in front of jury. 15-20 minutes will be given per team for the presentation. 5-6 teams will be selected for screening.

Student Coordinators

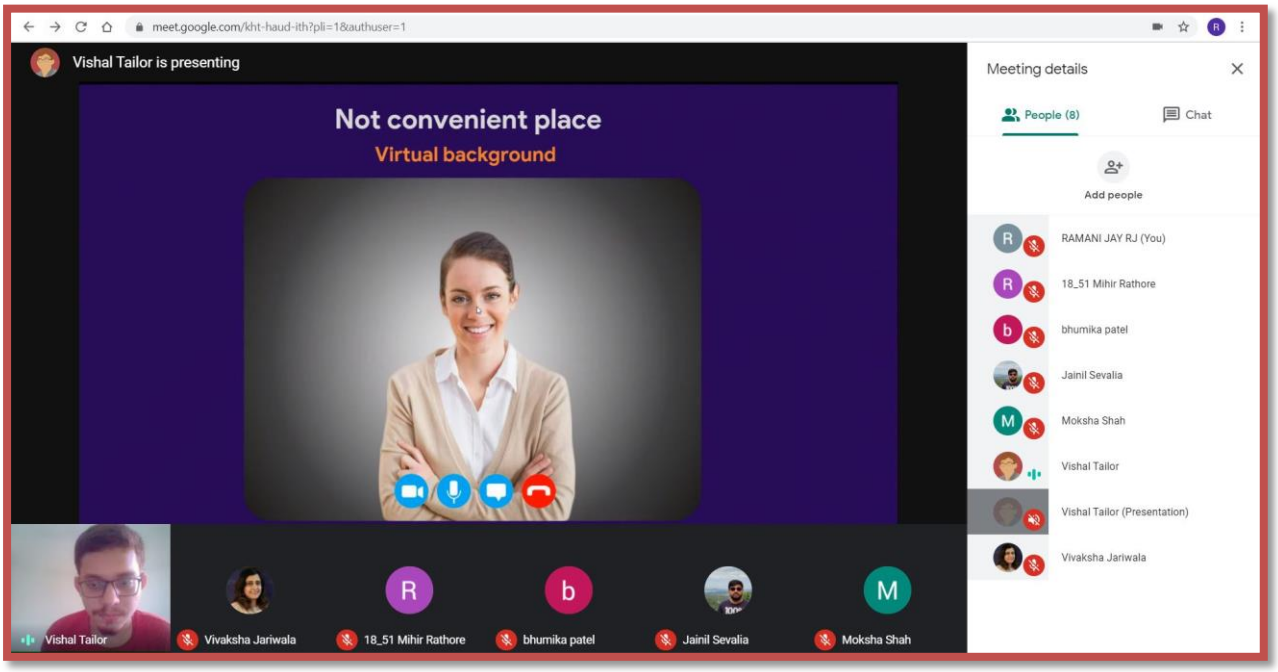
Jay Ramani

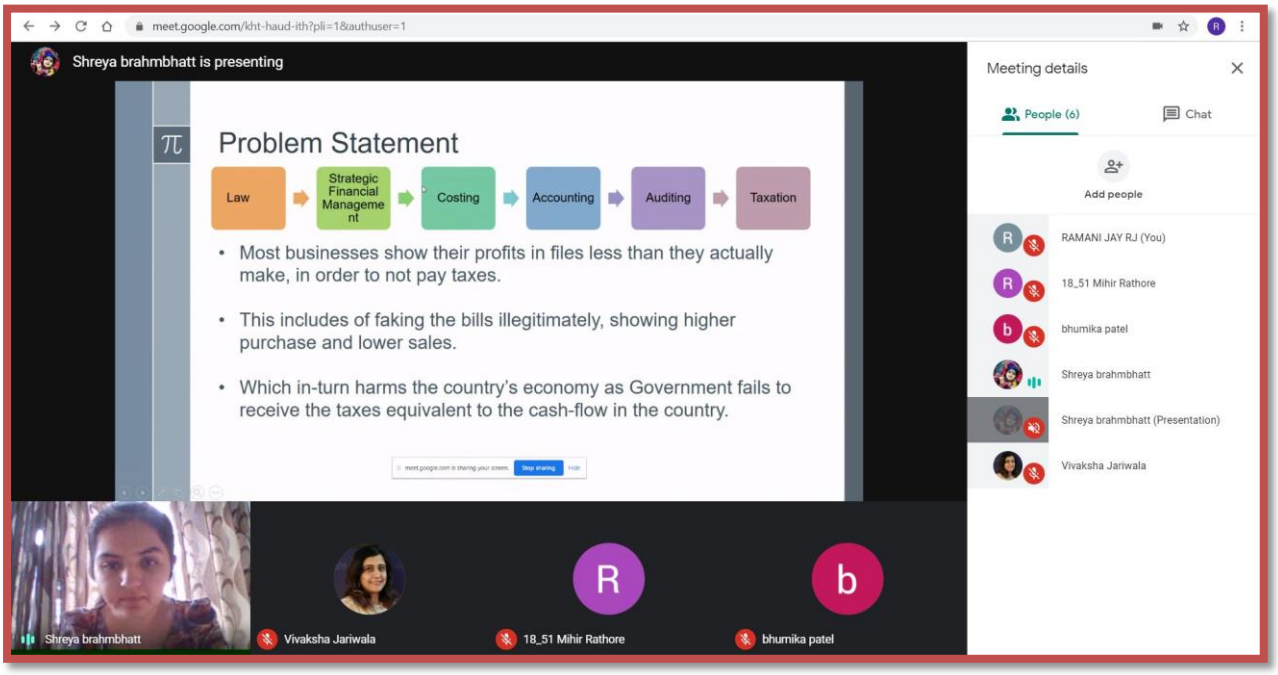
Mihir Rathore

The Winners of this Event are-

Rank	Name	Department	College
1st	Vishal Tailor, Jainil Sevalia, Moksha Shah	IT 4th Year	SCET
2nd	Shreya Brahmbhatt	IT 4th Year	SCET

Glimpse of the event..





THE SOCIAL DILEMMA - *Traversing through different platforms of social media to hunt for clues*

Ever heard of an online-treasure hunt? Think of the time constraint and rush in the adrenaline while trying to win the race of getting to the final clue.

Participants have to traverse through different platforms of social media to hunt for clues. It includes solving computer related questions, puzzles and having the knowledge of basic functions of various social platforms, for example, Instagram, Snapchat, twitter, Stack overflow, and Google drive. A series of clues/links will be provided in the form of posts, stories, photos, videos, solving erroneous codes, etc which will help them to find their next question on a different media platform. It is to be played by an individual and will require 40-45 minutes of time. Player reaching the final round of clues and solving them will be declared winner.

Rules and Guidelines:

- The number of round in this event would be 1.
- The interaction with other players would not be entertained.
- The starting platform of sourcing would be sent to you on your registered mail

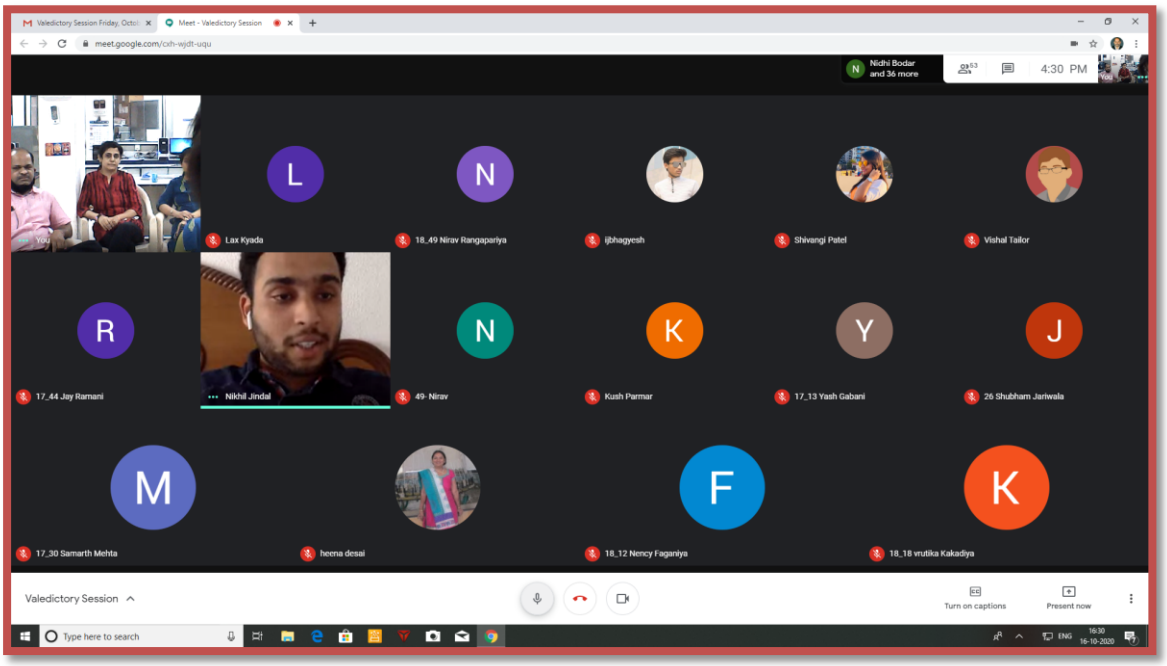
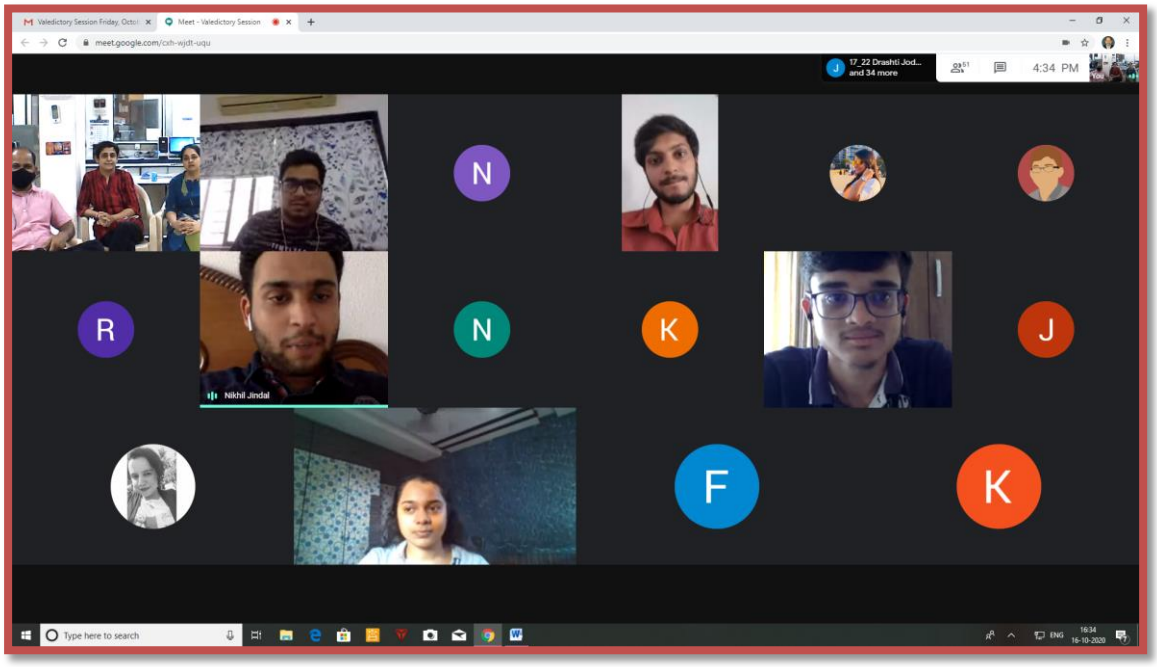
Valedictory Session

The valedictory session was held on **16th October,2020 at 4:30pm to 5:00 pm**. The entire session was effectively handled by student coordinator **Nikhil Jindal**. He briefed about various events, team details and number of registration received. He invited all student event coordinators to announce the winners. He presented vote of thanks and thanked all faculty coordinators, student coordinators, volunteers and participants for making the event a grand success. He and **Vineet Chheda** invited **Prof.Mukesh Patel, Dr. Dhruti Sharma** and **Dr. Vivaksha Jariwala** to present their views about the overall conductions of converse 2020.

Glimpse of the session





Acknowledgment

We would like to extend our sincere gratitude **Dr. Hiren Patel, Principal** and **Dr. Keyur Rana, Dean-SAWC**, Sarvajanik College of Engineering and Technology for permitting us to organize the online version of annual technical festival **Converse 2020** in this pandemic situation where physical gathering is not possible. Such event was need of the time to refresh students' mental and psychological condition.

We would like to thank **Dr. Vivaksha Jariwala, HOD-Information Technology** for giving this opportunity to us to organize this event and for her constant support, encouragement and necessary guidance.

We express our sincere thanks **Dr. Mita Parikh, Prof. Hiren Vavaiya, Prof. Tushar Gohil, Prof. Ashish Kharwar, Prof. Apurva Mandalaywala, Prof. Bhumika Patel** and **Prof. Dhanlakshmi Manickraj** for their support and cooperation as well as for their zest and enthusiasm in handling of all events. We also would like to thank our lab assistant **Ms. Heena Panchal** and **Ms. Khsubhu Naik** and our lab attendants **Mr. Minesh Kharose** and **Mr. Dipak Lad** for making all kinds of arrangement in lab for handling the events.

We would like to express our deepest appreciation to Student coordinators **Nikhil Jindal** and **Vineet Chheda** giving their best in making the event a grand success. It is a team effort and we want appreciate all the events coordinators and their team of volunteers for putting their effort in making the event successful.

We acknowledged the **Website and Graphics Design Team (Bhagyesh, Shreya, Akash, Suvarna)** and **Marketing Team (Vineet, Nikhil, Bhagyesh, Shreya and Niharika)** for their fullest effort in making the event successful.

Last but not the least, we are thankful to all the participants for showing their interest and active participation without them the event would not be possible.

At the end we want to thank the almighty GOD, for keeping us healthy, mentally strong and motivated in this unpleasant circumstances.

Event Coordinators

Prof. Mukesh Patel

Dr. Dhruti Sharma
