**MASS
GATHERING**

PREVENTION

**WASH YOUR
HANDS OFTEN**

**WEAR A
FACE MASK**

**AVOID CONTACT
WITH SICK PEOPLE**

**ALWAYS COVER YOUR
COUGH OR SNEEZ**

We are collectively facing a Pandemic threat that is sweeping across the humanity beyond oceans and borders. Considering the seriousness of COVID-19, it's about time we step up against this deadly disease. For the sake of lives lost and the rest of humanity, let us all pledge to beat Corona back. With this intention MCA department organized an informative session on General Awareness on Covid 19.

Speaker:	Dr. Amruta HemantKumar Panwala
Designation	MBBS, MD, Medicine practicing Hospital medicine at Methodist University Hospital in Memphis, Tennessee, USA
Date & Time :	20th April 2020 (6.30 PM)
Venue:	Online Event (Cisco WebEx)
Targeted Audience	Students and Faculties of SCET
Coordinated By:	Prof. Zankhana Vaishnav
Participants:	60 Participants

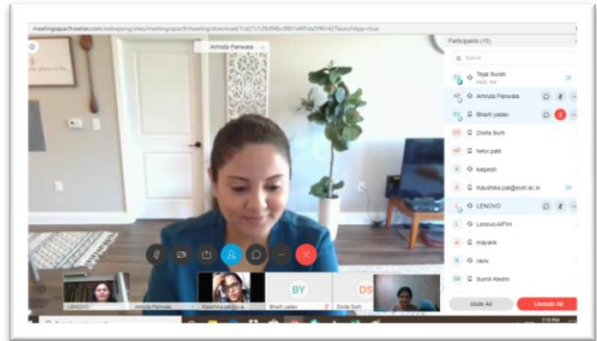

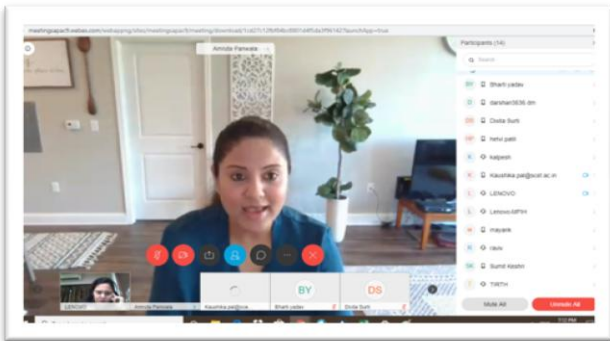

The session started with introduction of Dr. Amruta HemantKumar Panwala. She talked about the basic information related to novel corona virus, its origin, types, myths and spread. She also made students aware of the basic symptoms, preliminary diagnosis and precautions.

Highlights of the Talk
<ul style="list-style-type: none">✚ General information of Novel Corona Virus✚ Basic Symptoms, diagnosis and precautions.✚ Origin, spread and myths around Covid 19✚ Q&A session

The session ended with the Q&A session where students resolved their doubts about Covid 19. The session was very informative and fruitful for students as well as faculties.

We express our thanks to **Prof. Kaushika Pal**, Head, MCA Department to motivate us for conducting such session to spread awareness about this Pandemic. We would also like to extend our gratitude to **Dr. Hiren Patel**, Principal, SCET Engineering for his continuous support.

Some glimpses of the online session are shared below.
