SARVAJANIK COLLEGE OF ENGINEERING AND TECHNOLOGY

INFORMATION TECHNOLOGY DEPARTMENT

A REPORT ON

AN INDUSTRIAL VISIT TO NAROLA INFOTECH, SURAT

The Department of Information Technology organized an Industrial Visit to Narola Infotech, Surat on 4th April, 2015.

The visit included demonstrations of web-based projects deployed in DotNet and PHP, mobile-based applications using Android as well as demonstrations of embedded systems.

The highlight of the visit was a live demo of diamond cutting embedded system.

The visit served the purpose of enlightening the students regarding deployment of state-of-the-art computing technologies, and also gave them the opportunity to interact with experienced software professionals.
