

FIRST CHEMICAL ALUMNI MEET 2015

19TH DECEMBER, 2015, TIFAC SEMINAR HALL

1st Chemical Alumni Meet was organized on 19th December 2015 was very successful. We got a good response even though the event was conceptualized and executed just in a span of one week. More than 25 Alumni participated from various batches starting from 2000 to 2015.

The aims of gathering Alumni of different batches on single platform turned out beautifully & were able to interact with them, share their feelings & suggestions & reveal our expectations from them. Event commenced as we welcomed all the alumni with flower at entrance and gave them bunch of forms Alumni Feedback, Employer Survey and Alumni Information forms which they returned duly filled before leaving the campus.

The gathering was welcomed by Dr. Rakhi Mehta, HOD, Chemical Engineering, where she addressed the Alumni shared her feelings, expectations and took their views and revealed the importance of networking. Dr. Vaishali Mungurwadi, Principal SCET and Prof. Himanshu Padhya, Vice-Principal shared their views and asked for a round of introduction of all the Alumni gathered.

Prof. Shabbir Gadhiyali, TPO also gave his suggestions and views regarding placement scene and how Alumni could be a part of the same. Dr. Mayank Dalal, Dr. Rashmi Keshwani and other senior faculty members were also delighted to represent their emotions attached with Chemical Alumni.

Prof. Ashish Parmar, Representative, SCETAA gave information about SCETAA and appealed all Alumni to be part of the same. Other faculty members Prof. Vaishali Umrigar, Prof. Rashmita Patel, Prof. Srujal Rana, Prof. Vishad Desai also worked hard to make this event a gala success.

After an informal discussion group photos were taken and everyone enjoyed Hi-Tea.

The event would not have been possible without diligent and integrated work of all our adhoc faculties Prof Anshul, Prof. Sayali, Prof. Mazhar and Prof. Dimple along with our core team of students Vishwaraj, Ronil, Naitik, Keval, Shahin, Smit and Viraj.

Ms. Ekta Desai & Ms. Shilpa modi along with our lab attendants managed the refreshments very well.

Thus in a nutshell it was great to see such success in first of its kind Alumni Meet of Chemical Department. Everyone parted with a feeling of accomplishment, joy of meeting and a spark to do something for their Alma Mater SCET.

Hope this tradition will continue and will be able to gather many many more alumni's and proves our statement of "SHARE WHAT I GAIN"
