Report of Workshop on "Bootstrap - Web UI designing framework"

We are glad to inform you that M.C.A Department had organized a workshop on "**Bootstrap - Web UI designing framework**" on 7-Sep-2017. The main objective of this talk was to give a kick start to first year MCA students for their project work that they have to do as part of the curriculum under subject Software Project - I, 3610006.

Speaker:	Mr. Parth Jani
Designation:	Free lance developer
Date & Time:	7^h September, 2017 8:30 am to 10:30 am
Venue:	IT Lab, SCET.
Targeted Audience:	First year MCA Students and Faculty Members from MCA Dept.
Coordinated By:	Prof. Prashant Keswani and Prof. Rashmi Chouhan
Participants:	30 Students and 7 Faculties of MCA

The session started with introduction of Mr. Parth Jani by Prof. Prashant Keswani.

Mr. Parth covered various aspects of Bootstrap and CSS covering

- Why is Bootstrap needed?
- Where can you download Bootstrap
- How to use it
- How to make screen responsive according to devices.
- Grid system
- Work with Modal control and many more.
- Different classes of bootstrap including Carousel, Navigation bar, etc
- Brief knowledge of JQuery

Towards the end of the session, the students were able to create simple pages using Bootstrap as a part of assignment. After the session was completed, Prof. Gayatri Kapadia, HOD, MCA Department, presented a memento by following the tradition of SCET.
