**Date: 20-Oct-20**

**Report on**  
**Webinar under Training & Placement Cell on**  
**“Placement and Pandemic, how to be ready?”**

We are glad to inform you that the M.C.A Department had organized a webinar on **“Placement and Pandemic, how to be ready?”** on **19-Sep-2020** under the Training & Placement cell of SCET. This webinar has been arranged for interested students of MC, ME, BE (All Discipline) and faculty members. The purpose of the webinar is to make students aware about challenges that have to be faced by students during the company placement drive.

Training & placements committee always help students' in

- Identify employment options that match their career interests.
- Assist students in all aspects of the job search including resume writing, interviewing techniques and job referrals.
- Schedule and follow up on student interviews with prospective employers.

<b>Speaker:</b>	<b>Mr.Mukteshwar Prasad</b>
<b>Designation:</b>	<b>(Training &amp; Career Expert,MD –Shivnandini Industries- Acting Director –BIT Deogarh , 45 years of Experience ,IIT Delhi Almuns)</b>
<b>Date &amp; Time:</b>	19 <sup>th</sup> September, 2020 10:00 am to 11:00 am
<b>Venue:</b>	ZOOM Meeting
<b>Registration Link :</b>	<a href="https://app.gradsly.com/app/webinar">https://app.gradsly.com/app/webinar</a>
<b>Targeted Audience:</b>	MCA,ME,BE(All Discipline), faculty members
<b>Coordinated By:</b>	<b>Prof. Sapana Desai &amp; Prof Jayana Ahuja</b>
<b>Participants:</b>	50+ Students and Faculties of MCA

The session started with introduction of Mr. **Mr.Mukteshwar Prasad**. He started with how students need to equip themselves with different qualities and what are peculiar characteristics one should have. He gave emphasis on training students in 360 degrees with practical knowledge. He also talked about the importance of communication skills which bridges the technology with the rest of the world. He mainly explained the basic pillars of placement like, challenges, innovations & opportunities.

He opened the mind of students by asking them to take part in competitions, seminars not only nationally but internationally. He also explained the importance of self discipline needed to be nurtured right from student life. He enlightened the gathering by sharing his life experiences about how he started his journey and what are his success stories. He also told to improve soft skill and suggest attending a program for soft skill development.

Students were happy to know the minute detailing done throughout the webinar. The question answer session was the key part in the entire webinar. Students asked many questions whose answers were given with perfect answers.

We express our thanks to **Prof. Kaushika Pal**, Head,MCA Department to motivate us for conducting such webinars. We would also like to extend our gratitude to **Dr.Prakash Khatwani** Professor & Placement Officer, for his continuous support and helping & guiding in technicality of webinar. We also like to thank **Principle, Dr. Hiren Patel & Shri Bahskar Cheruku** who always back supports us. Last but not the least, the audience of webinar (Faculties & students) who made this session a kick start to placement activity.
