Report On Industrial Visit at Adani Port

“Being an entrepreneur is my dream job as it tests ones tenacity.”

— Gautam Adani

An industrial visit to Adani Port, Hazira was organized by MCA department under Project Udaan by Adaani Foundation which is a learning based initiative focused on the youth coming from various schools/colleges across the state of Gujarat.

Highlights of Industry Visit:-

1. *Discussion about importance of IT in the field logistics.*
2. *The software products they uses for automation.*
3. *Visit to Marine Room*

Under the project UDAAN, an exposure tour is organized wherein students are given a chance to visit the Adani Port, to get an insight into the large scale business activities carried out there. The major objective behind organizing such trips is to encourage young minds to develop an interest in all sorts of enterprises, and to encourage them to dream big in life.

|------------------------|--|
| Date: | 17/11/2017, Friday |
| Time: | 9:00 AM to 4:00PM |
| Coordinated by: | Prof. Sapana Desai and Prof. Zankhana Vaishnav |
| Accompanied by: | Prof. Zankhana Vaishnav and Ms. Tejal Surati. |
| No of Students: | 30 - MCA – I (Sem I) |

The visit started at 9.00 AM from Surat to Hazira by bus. The students were welcomed with delicious breakfast. Post breakfast, the presentation about Project Udaan, their core business activities and how automation is done using IT was there. By the time students were mesmerized with the use of IT and they could not believe that there are plenty of opportunities in this industry.

After the presentation, the students visited Fire and Safety Department where they were explained about various tools used for safety. After that the tour of whole port area was done in the bus. The students were astonished to see the scale of their ships, automated cranes, storage capacity, discipline and work.

Post tour, scrumptious lunch was provided to the students. After lunch students visited marine room where the incoming and outgoing of ships was managed. The students were explained the whole process and quite an interesting Q&A session occurred between students and representative of the company.

Some quick look of Visit

The visit ended with a group photo with team members of Adani port. The students were motivated that Adani Port has opened the door for Computer students & made them understand how they can be part of such a PROUD organization.

We are thankful to our HOD, Prof. Gayatri Kapadia, and principal Dr. Vaishali Munguwadi for their endless support and encouragement to achieve good vision for betterment of students.
