

Invited lecture
on
“Nano Mission 2020”
BY
Dr. Mausumi Mukhopadhyay,
Associate Professor, Chemical Engineering Department, SVNIT, Surat.
Date: 04.03.2016 Venue: TIFAC Centre

Under the auspices of R & D Cell, Chemical Engineering Department invited Dr. Mausumi Mukhopadhyay, Associate Professor, Chemical Engineering Department, SVNIT, Surat for delivering a talk on research avenues open for Chemical Engineering Students. The lecture was conducted at 12:30 pm at TIFAC-Seminar Hall for BE I-IV students. Dr. Mausumi discussed at length about Nanotechnology-growth, applications, thrust areas in research and provided guidance related to projects.

Faculty coordinator: Prof. (Dr.) Swati Sharma.
