A Report on Expert Lecture

"Practical Session on AWS"

**Organized by
M.C.A. Department**

**Coordinated by:
Prof. Prashant Keswani (SCETAA Representative, MCA Department) &
Prof. Sapana Desai (MCA Department Alumni Committee Member)**

**Speaker:
Mr. Sandip Gopani**
Batch 2015 Alumnus

**On
10th August, 2017**

MCA Department had organized an expert lecture on “Practical Session on Amazon Web Services” under the banner of “Share What I Gain”, lecture series initiated SCET Alumni Association for the Students of SCET.

The purpose of the lecture was to demonstrate the practical usage of Amazon Web Services, most widely used Cloud platform, to the final year students of MCA. The students also have the subject Cloud Computing as part of their curriculum.

The session was quite interactive followed by Question and Answer session.

About The Expert

The Speaker for the expert lecture was Mr. Sandip Gopani, an employee of Narola Infotech and alumni of SCET. He has been working with Narola Infotech for more than 2 years now since he was selected through TnP recruitment drive. During his tenure at Narola Infotech he has been working on different modules offered by AWS practically. He has also worked as a project mentor in the Smart India Hackathon as an industry expert.

Points covered in Expert Lecture:

- > How to create an account on AWS
- > Terms and conditions for using AWS for free
- > Elastic Cloud Computing (EC2)
- > Simple Storage Service (S3)
- > Cloud Front

Mr. Sandip Gopani shared his in-depth and inspirational experience with students about the subject, which will really help them to understand the subject practically.

Participation

We received good response from final year students of MCA department. 41 students attended the expert lecture. Expert lecture was graced by faculty members of MCA department.

As a closing ceremony, Dr. S. V. Patel presented SCETAA souvenir to Mr. Sandip Gopani as a token of appreciation.

Sharing with you few memories of expert lecture
