Report of Webinar on “Working Knowledge of Laravel Framework”

Sarvajanik College of Engineering and Technology

Masters in Computer Applications Department

organizes a webinar on

“ Working Knowledge of Laravel Framework ”

Mr. TEJAS MANDALIYA
Entrepreneur, PantherCodX, Surat

Faculty Co-ordinators:
**Prof. Prashant Keswani &
Prof. Rashmi Chouhan**

Head of Department:
Prof. Kaushika Pal

Venue : Google Meet

Date : 1st June 2021, Tuesday

Time : 10:30 AM to 1:00 PM

Laravel is a web application framework with expressive, elegant syntax. Laravel attempts to take the pain out of development by easing common tasks used in the majority of web projects, such as authentication, routing, sessions, and caching. The main objective of this talk was to give a boot start to first and final Year MCA students for their project work that they have to do as part of the curriculum under subject Software Project - I, 629405 and Software Project –III, 4659304 respectively. The details of the webinar organized are as below:

Speaker:	Mr. Tejas Mandaliya, Alumni 2014-2016
Designation:	CEO, PantherCodX
Date & Time:	1 st June, 2021 10:30 AM to 1:00 PM
Venue:	Online (Google Meet)
Targeted Audience:	First & Final Year MCA Students and Faculty Members from MCA Dept.
Coordinated By:	Prof. Prashant Keswani and Prof. Rashmi Chouhan
Participants:	60+ students and MCA Department Faculty Members

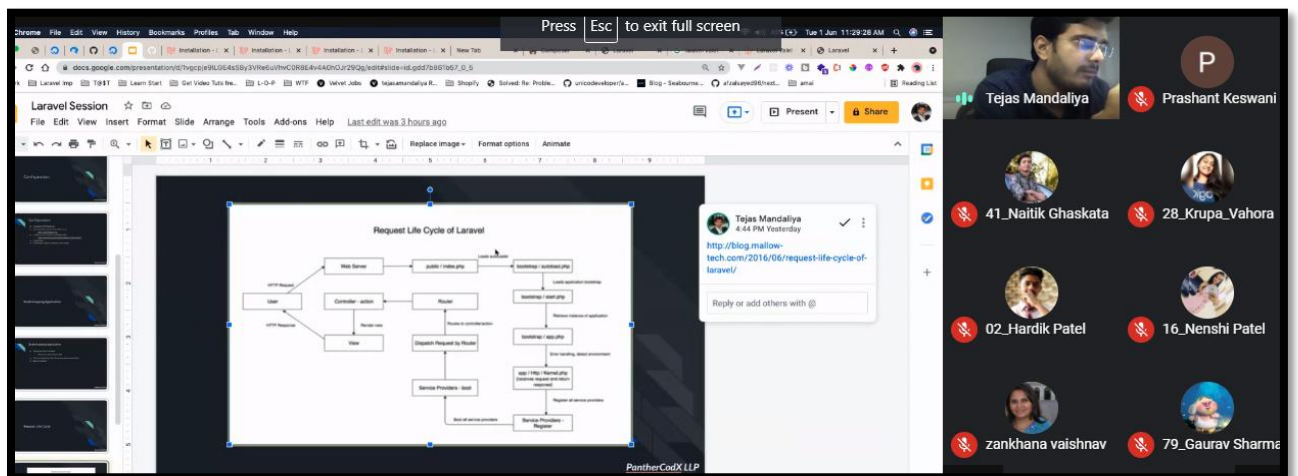

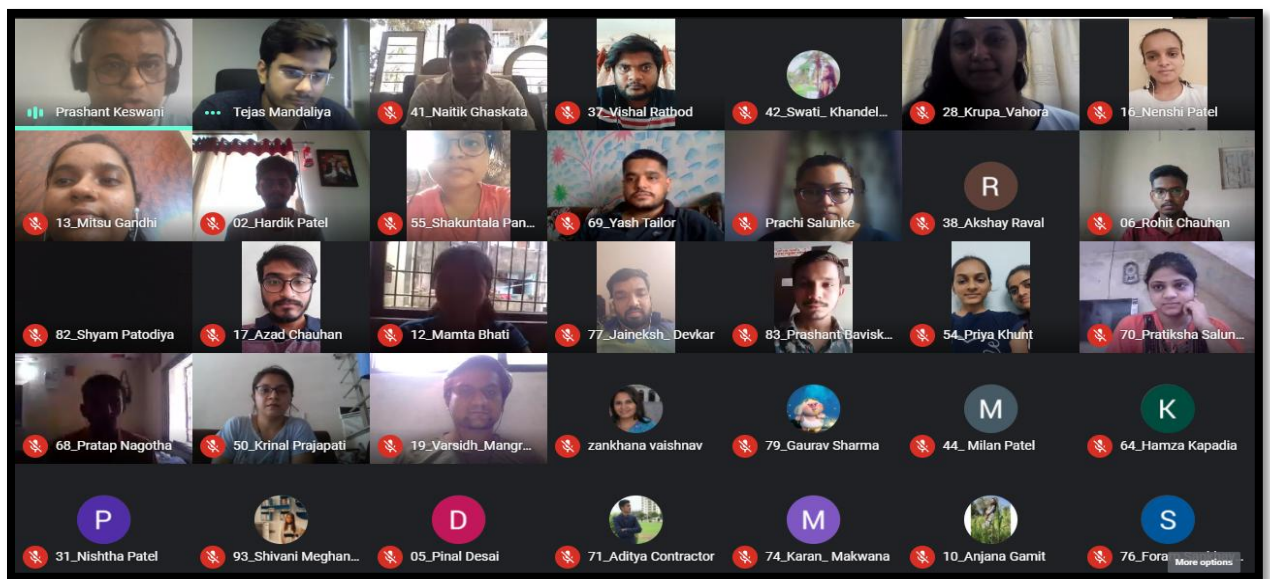

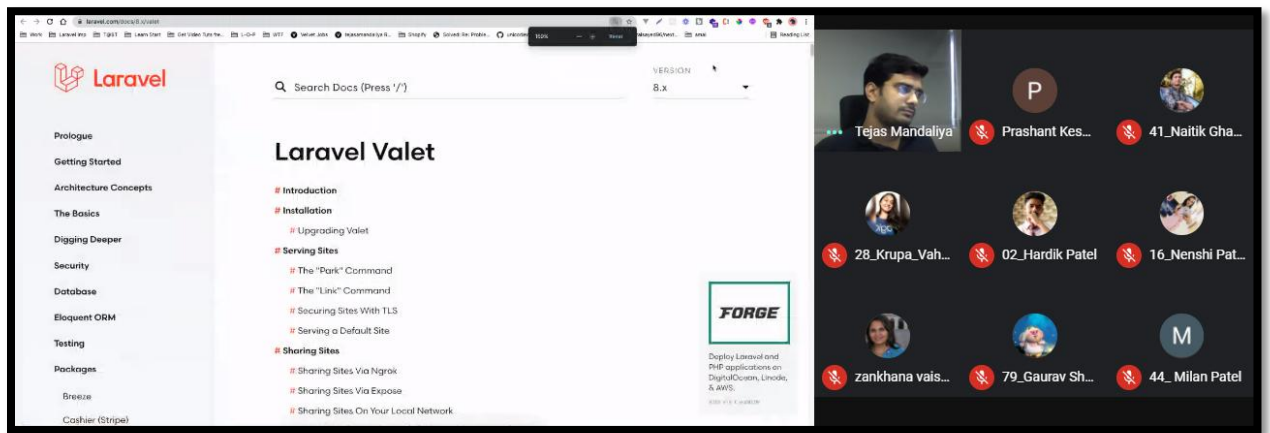

The session was started with the introduction of passionate resource person Mr.Tejas. The session was very interactive. Mr. Tejas highlighted on various aspects of Laravel Framework listed below:

- ▣ What is Laravel Framework?
- ▣ Installation process
- ▣ Creating a simple application
- ▣ Inserting data in the database
- ▣ Modification and Deletion in the database
- ▣ Fetching data from the database
- ▣ Technical QA session

Towards the end of the session, the students were able to create simple application using Laravel Framework as a part of assignment. After the session was completed, Prof. Prashant Keswani presented a Vote of Thanks by following the tradition of SCET.

We express our thanks to Dr. Hiren Patel, Principal, SCET, Faculty of Engineering for providing such conducive environment and Shri Bhaskar Cheruku for helping with the process.

Some glimpses of enthusiasm for learning in students are shared below:

Report compiled by Prof. Prashant Keswani and Prof. Rashmi Chouhan
