

REPORT OF VISIT TO STERS

Surat Technical Education and Research Society (STERS), VESU, has been offering various short term courses related to Garment & Fashion.

With an objective to understand the activities and study the infrastructure developed for the same, a visit of Teaching & nonTeaching staff members of Department of Textile Technology was arranged by Entrepreneur Development Cell to STERS on Tuesday, 27/6/2017 at 11:00 am.

Following members were present during the visit:

Prof. (Dr.) J.R.Ajmeri
Prof.(Dr.) P.A.Khatwani
Prof. C.N.Joshi
Prof. S.S.Yardi
Prof.(Dr.)K.S.Desai
Prof.H.N.Amin
Prof.S.K.Parmar
Mr.S.P.Patel
Mr.Subhash Jagiyasi

During the visit, staff members observed the innovative designs and work carried out using denim.

The staff also visited and studied the Garment lab having variety of machines for Designing, Marker Planning, Cutting machines, different varieties of sewing machines, Finishing machines etc.

The interaction with the staff member helped to understand the kind of activities carried out at the lab.

The overall visit was very informative and useful for innovative ideas in fashion and garmenting.
