A Report on interaction with alumni on

***Outreach programmes and public awareness in BARC, DAE***

**6<sup>th</sup> February, 2017 (3:00 pm to 5:00 pm)**

Organized by

Prof. Srujal Rana

Assistant Professor, Chemical Engg. Dept

**Mr. Keyur Pancholi**

(Alumni Chemical Department, SCET)

(Batch 1995 - 1999)

Chemical Engineering Department, SCET had organized an expert lecture under the banner of “Share What I Gain”, initiated by SCET Alumni Association for BE-II, BE-III and BE-IV Students of chemical engineering on 6<sup>th</sup> February, 2017. The talk was arranged in order to create awareness amongst students regarding BARC, DAE.

#### ***ABOUT THE SPEAKER:***

Mr. Keyur Pancholi is an alumnus of SCET (Chemical Engineering – Batch 1995:1999). He is currently a nuclear engineer in BARC, DAE (Bhabha Atomic Research Centre, Department of Atomic Energy).

The session started with short introduction of the Speaker by Prof. Srujal Rana and then was continued by Mr. Keyur who gave excellent information about Outreach program of BARC and covered following points,

#### ***POINTS COVERED IN TALK:***

- About BARC, Importance of nuclear energy (its pros and cons)
- Outreach Programmes of BARC, DAE
- Awareness regarding BARC
- Market trend of nuclear energy across the world.
- Interaction with students to solve their queries.

As a token of our gratitude Mr. Keyur was presented a memento by Prof. Ashish Parmar
