A Report on Swachata Week 2k18

By: Student Activity And Welfare Council

Swachh Bharat Abhiyan is also called as the Clean India Mission or Clean India drive or Swachh Bharat Campaign. It is a national level campaign run by the Indian Government to cover all the backward statutory towns to make them clean. This campaign involves the construction of latrines, promoting sanitation programmes in the rural areas, cleaning streets, roads and changing the infrastructure of the country to lead the country ahead. Under this we were pleased to have RJ Mihir from MYFM with us in our campus to create awareness among the students related to the Swachh campus. This event was conducted under the NSS. Also, a survey was conducted under which circulars were circulated among the class representatives of each department and they were supposed to rate their classrooms and labs on the basis of cleanliness. All the students were gathered at the SCET AMPITHEATRE and RJ Mihir shared his views and at the end we all together took a pledge to maintain the cleanliness in the campus so that we can contribute to the swachata mission.
