

TEXCELLENCE'15

Department Of Textile Technology

18th & 19th –September 2015

A Brief Report

It gives us immense pleasure to share with you all the highlights of Tech FEST 2015. Textile Technology Department had celebrated “TEXCELLENCE’15” on 18th and 19th September. The “TEXCELLENCE’15” was inaugurated by Mr. Kiran Pandya (G.M. - Business Development), Grasim Industries Ltd., Surat. The main attractions of TEXCELLENCE’14 were –

Guest Lecture (18th September, 10 AM)

Mr. Kiran Pandya (G.M. - Business Development), Grasim Industries Ltd., Surat had been invited to deliver a Guest Lecture. He had shared his views on “Viscose rayon fibre – An Overview and Operational Challenges” with the gathering.

Text Quiz (18th September, 1:30pm)

In this event, participants formed team of two members. This was buzzer round where each team ensures their position in events by giving quick response of multiple choice technical questions by pressing buzzer. After completion of each round lowest performing teams were eliminated and finally winner teams were announced.

Paper Presentation (19th September, 9:00am)

In this event participants formed a team of two students or individually to present their technical paper related to textile engineering in the presence jury of experts. The topics were as according to the participant’s convenience where they come forward to express their technical ideas in the field of latest development in textiles.

Poster Presentation (19th September, 1:30pm)

In this event, participants formed teams of 2-4 members to present their poster on any recent topics of textiles and show their creativity skill and technical knowledge. The poster presented by students was judged and questions asked by juries to finalize winners.

TexApps (19th September, 1:30pm)

In this event, total 10 samples of technical textile were placed on one table one by one in one row. Each participant passes through samples to identify each sample and its application area with 5 minutes of time period. This event tested the observation skill and general awareness of various products of technical textile. This event has attracted the students in big. End of this event, two prizes were announced based on results to appreciate and to motivate them.

Overall, We have received a very good response not only from the students of SCET but also from the students of Girls Polytechnic (Affiliated to GTU). There were 18 teams (each of 2 participants) registered for Text Quiz, 2 Teams (each of 2 participants) for Paper Presentation, 3 teams (each of 2-4 participants) for Poster Presentation and 34 individual entries for TexApps events. All together there were around 86 participants registered for all the events. The entire event was met with the grand success.

The TEXCELLENCE'15 was ended with the Prize Distribution of Cash Prizes and Certificates to winners and participants.

Some of the sweet memories of TEXCELLENCE'15 –
