Vivacity 2014

11th & 12th Sept

Logo Design

A Brief Report

To brazen out the technical and vocabulary skills of students of MCA department, MCA Dept, SCET organized the Annual Technical Event VIVACITY '14. Various competitions that were held under two days schedule brought in front the new talents of students in practical world. Students with all their armory of talents got under one roof of Vivacity to give a tough and challenging fight. The various competitions held are as follows:

- Logo Design
- Quizzical
- Web Maharathizz...
- Fuzzle
- Rangoli

The event was inaugurated by our own Head of the Department Prof. Prashant Keswani by lighting the lamp and his inspirational words to students.

We received very good response from CO, IT & MCA. Participation is as follows...

Event	Registration	Actual Participation
Logo Design	15 participants	15
Quizzical	48	48
Web Maharathiz..	28	28
Fuzzle	45	45
Rangoli	8 Teams (2 participants per team)	7 Teams

All together there were total 150 participants have registered for different events in Vivacity'14.

11th & 12th Sept

Logo Design

In logo design event, following three themes were there.

Share what you gain

Virrasat club

Alumni Achiever's Award (AAA)

The selected logos will be placed on the SCETAA website. A website for SCET alumni association.

After completion of all events, We invited our Alumina students for Valedictory function arranged on 12/09/14 from 2.30 pm onwards. They shared their industrial experience with students.

The Valedictory ended with the Prize Distribution. Cash Prizes and Certificates to winners and also appreciation certificates to participants were awarded by MCA Staff Members.

Here are some sweet memories from the event.
