Prof. Prashant Keswani
Prof. Sapana Desai

"The greatest pleasure in life is doing what people say you cannot do!!!!"

Our fascination with technology is ever increasing. Applications are almost endless and the possibilities are becoming realities at an even faster pace. To explore such possibilities, **The Master of Computer Application Department** celebrated the Annual tech Fest -**"Vivacity-2K16"** 6th time in a row.

Vivacity means Vivacious…Vivacity 2K16 was truly vivacious in terms of events, participations, enthusiasm. Our bright young students had showcased their latest creations ranging from the most entertaining to the most practical designs for everyday life.

Vivacity started with an informational inauguration function which comprised of a welcome note by Prof. Gayatri Kapadia, Head, MCA department. Following this, Manisha Ladha, student convener, gave the details of all the events covered under Vivacity.

Events under Vivacity-2K16
1. **Technical**
   - Jumbled C
   - Pecha kucha
   - U Design UI
2. **Non Technical**
   - Look Sharp
   - Ad Mad
   - Battle Camp
3. **Fun Event**
   - Geo SCET +
4. **Melodrama** –(Art & Intellectual)

Day-1

Day started with showers & we got great response in **JUMBLED C**. As name says, "A drawer full of lines of C programming was jumbled together". Participants were eager to solve the given jumbled code to get desired output.

Faculty Head:- Prof. Rashmi Chouhan

Enthusiasm count- 92.

"Explaining with brain in the mind"- was the axiom behind **"Pecha kucha".** Participants had put on display the ideas based on Computer science & application with the help of slides. The rule was :- 15 sildes*20seconds each. Each of the presentation was judged by jury member :- **Prof. Dipali Kasat**

Faculty Head:- Prof. Alpa Shah

Eagerness count:- 10

"Know your college campus with actual college map". **GEO SCET +.** The next event was based on the same concept. We witnessed students actually trying to identify the location for finding the characters & finish the game in the given amount of time.

Faculty Head:- Prof. Jayana Ahuja

Passionate Count :- 100

We had become the audience of a dramatic work which is typically sensational and designed to appeal strongly to the emotions, takes precedence over detailed characterization. **Melodrama-** as name suggests, students were happy to share their real life incidents along with some add on actions.

Faculty Head:- Prof. Kaushika Pal & Prof. Rashmi Chouhan

Actionable Participants:-6

Day 2 started with much of passion & event named **"U Design UI"**, where students had presented their unique idea behind Mobile app user interface by drawing mobile screen on paper. The idea was further judged by esteemed jury members :-

- Dr. Niteen Patel
- Prof. Bintu Kadhivala

Faculty Head:- Prof. Zankhana Vaishnav

Participation count- 8

"Interesting learning with funny ads" – **Ad mad** event. Every participant was given a specific product for which they were given time of 3 mins to prepare the ad & showcase the same in 45 sec. The treasured jury composed of

- **Dr. Mahesh Trivedi**

**Faculty Head:- Prof. Manpreet Kaur**

Keenness numbers: - 25

Look Sharp- For some, hunting is Hobby, for US, it's PASSION. The event comprised of 3 rounds namely, logo hunt, slogan hunt & Tune hunt. Participants stretched their heads to remember & recollect answer to the questions.

Faculty Head:- Ms. Tejal Surti & Ms. Dhrashti Kapadia

Hunter Count:- 87

As we proceeded towards end of the day, we set the ground for warriors with **Battle camp.** Students had tried all types of games including logical, actionable, puzzles on AKASH tablets.

Faculty Head:- Prof. Kaushika Pal

Warrior Count:- 33

"There is no real ending. It's just the place where you stop the story of Vivacity-2K16." We ended the two day MCA department tech fest with vivacious events, enthusiastic participants, dynamic faculties & volunteers & an rewarding Valedictory function. Prof. Prashant Keswani, faculty co-ordinator, welcomed everyone. Dr S. V. Patel sir motivated the students with his words of wisdom. Denish Khetan, student convener, gave his feedback about the techfest. And finally Prof. Sapana Desai, faculty co-ordinator, proposed a vote of thanks thanking everyone involved from the beginning to the end.

We must have a theme, a goal, a purpose in our lives. There are occasionally *Eureka* moments. Vivacity-2K16 witnessed departments first ever theme song "**Vivacity is setting Tune**" prepared by our very own final year students.
