viii	Fire and Safety Certificate
 The image shows a 'FIRE SAFETY CERTIFICATE RENEWAL (FSCR)' form, Form 11.2, issued by the Gujarat Fire Safety Officer - Specialist (FSO-S). The certificate is for Sarvajani Education Society Off. Mission Hospital, Athalures, Surat. It was issued on 18/02/2025 and is valid until 18/02/2027. The certificate includes a QR code for digital verification and a 'Digitally Verified' stamp. The stamp states: 'Digitally Verified', 'Digitally verified by: Anil Jagdish Bharodiya', 'Fire Safety Officer - Specialist (FSO-S)', '2025/001559/R1', 'Date: 18/02/2025', 'Time: 05:18 PM'. A green checkmark is also present. The certificate text mentions that the building/premise was inspected on 18/02/2025 and all fire prevention, life safety and fire protection measures provided were found to be in proper and effective working condition. There are no changes in building/premise use or occupancy or in building design or structure. Further, the following activities (as applicable) have been carried out towards meeting requirements of GFR&LSM Act-2013, GFR&LSM Rules-2014 & GFR&LSM Regulations-2025 as amended, or the then applicable GDCR: 1. Emergency drill was carried out on 18/02/2025, 2. Six monthly inspection was done on 18/02/2025. The Fire Safety Certificate is renewed for a period of two (2) years upto 18/02/2027 in accordance with GFR&LSM Act-2013, GFR&LSM Rules-2014 & GFR&LSM Regulations-2025 and their amendments. At the bottom, it says: 'This is a digitally verified certificate, hence doesn't require physical signature. To validate authenticity of this certificate, scan the QR code or search the certificate details in appropriate section at: www.gujfiresafetycop.in. Please note that, apart from renewal, the building needs to be inspected every six months and a mock fire and emergency drill also needs to be conducted every six months. If there is a delay in scheduled inspection or mock drill, penalty shall be imposed. The Fire Safety Certificate renewal should be done timely after two years to avoid penalties.'

F.No. 37-3/Legal/2007

To,

The Directors/Principals of Technical Institutions and
Registrars of Universities including deemed to be Universities

Sub: Instructions to be issued to the Technical Institutions, Universities including
Deemed to be Universities imparting Technical Education regarding
matters concerning charging of fees, refund of fees and other student
related issues.

Sir,

You are aware that All India Council for Technical Education (AICTE) has been
empowered *inter alia* under section 10 (n) of AICTE Act to "take all necessary steps to
prevent commercialization of technical education". In compliance with the provisions
under AICTE Act and in the light of directions of Govt. of India issued under section 20
(1) of AICTE Act vide Letter No. (U.1 (A) Section), it has been decided to issue
instructions to the Technical Institutions, Universities including Deemed to be
Universities imparting Technical Education in the matters concerning students.

Whereas it has come to the notice of the AICTE that Technical Institutions and
Universities including Deemed to be Universities, are admitting students to technical
education programmes long before the actual starting of an academic session; collecting
full fee from the admitted students; and, retaining their school/institution's leaving
certificates in the original;

And Whereas, Institutions and Universities are also reportedly confiscating the
fee paid if a student fails to join by such dates;

And, Whereas, certificates in original are being detained by institutions and
Universities to force retention of admitted students;

And, Whereas the time-limit for students to join the courses/programmes is also being advanced in some cases unrealistically so as to pre-empt students/candidates from exercising other options of joining other institutions of their choice.

In the event of a student/ candidate withdrawing before the starting of the course, the wait listed candidates should be given admissions against the vacant seat. The entire fee collected from the student, after a deduction of the processing fee of not more than Rs.1000/- (Rupees one thousand only) shall be refunded and returned by the Institution/ University to the student/candidate withdrawing from the programme. It would not be permissible for Institutions and Universities to retain the School/Institution Leaving Certificates in original. Should a student leave after joining the course and if the seat consequently falling vacant has been filled by another candidate by the last date of admission, the Institution must return the fee collected with proportionate deductions of monthly fee and proportionate hostel rent, where applicable.

Any violation of instructions issued by the AICTE, shall call for punitive action including withdrawal of approval and recognition of erring institutions and Universities. AICTE shall on its own or on receipt of specific complaints from those affected take all such steps as may be necessary to enforce these directions.

Yours faithfully

Sub: Scheme on Tuition Fee Waiver scheme for women, economically backward and physically handicapped meritorious students.

The AICTE has been empowered under Section 10(e) of AICTE Act to formulate schemes for promoting technical education for women, handicapped and weaker sections of the society. In compliance with these provisions under the AICTE Act, it has been decided to introduce Tuition Fee Waiver scheme for women, economically backward and physically handicapped meritorious students in technical institutions.

I-Applicability:

The proposed scheme shall be applicable to the Students of all AICTE approved technical Institutions offering:

- a) Bachelors programmes in Engineering, Pharmacy, HMCT, Architecture and Applied Arts and Crafts.
- b) Diploma Programmes of three years duration in all disciplines.

The Scheme is proposed initially for Under-graduate and Diploma Programmes. The scheme will be voluntary in nature.

II-Purpose:

The scheme is proposed to provide Tuition Fee Waiver to women, economically backward and physically handicapped meritorious students pursuing degree/diploma level technical education covering degree programmes in Engineering & Technology, HMCT, Pharmacy, Architecture, Applied Arts and Crafts and Diploma Programmes in the above disciplines.

III-Amount of waiver:

The Waiver is limited to the tuition fee as approved by the State Level Fee Committee for self-financing institutions and by the Government for the Govt. and Govt. Aided Institutions. All other Fee except tuition fees have to be paid by the beneficiary.

IV-Method of implementation:

Under the Scheme, the Competent Authority for admissions shall be the same as for regular admissions. And Institutions shall provide tuition fee waiver up to 10 percent of its sanctioned intake of students. Typically for every 60 sanctioned intake in a branch/discipline of study, tuition

fee waiver shall be given to two woman candidates, three economically weaker students (Annual income of Parents/Guardians less than Rs. 2.50 lakhs from all sources) and one physically handicapped students based on merit. In the event of non-availability of students in a specific category as above, the benefit will be given to any other candidate of other categories according to merit. An award letter in this respect shall be issued by the respective Institution with the approval of the Competent Authority for admissions.

The Institution in turn shall be allowed to admit 10% of its sanctioned intake or the number of actual tuition fee waiver granted by the Institution, whichever is lower, as an additional intake in the same discipline/branch of study.

In case of Government/Govt. aided Institutions this additional intake may be on self-financing basis, if they so desire.

1. The AICTE approved technical institutions shall inform the number of the tuition fee waivers, branch wise to the admission authorities of the concerned state and give an undertaking that the institution will not charge tuition fee for the duration of the course from the beneficiaries.
2. The State Govts. Affiliating Universities of the concerned state shall allow equal number of seats over and above the present sanctioned strength subject to maximum of 10% of the approved intake in the same branch in lieu of the Tuition Fee Waivers. Private Institutions shall be allowed to admit students to the tune of the number of Tuition Fee waivers actually awarded from the same merit list as intake over and above the present sanctioned strength. Similarly the Government Institutions may fill up these additional seats on merit basis and if desired on self financing basis with the approval of the State Government.
3. The Institution shall admit students against these seats as per the procedure followed for admitting the regular seats at Institution level by the State admission authority. The list of students admitted in this category shall be displayed in the Notice Board of the Institution and its web-site along with the list of students given tuition fee waiver.
4. The State Govts. shall include the names of the institutions who have volunteered to avail the scheme with details of tuition fee waivers available in each institution branch wise in the admission brochure and publish the same for the benefit of the students.
5. The Institutions have to publish in their brochure and website the number of tuition fee waivers available in each category (Woman, economically weaker and physically handicapped) of students in each discipline.
6. The Competent Authority for admission shall have to display Tuition Fee Waiver status against each Institution, branch wise, to the candidates during the counseling, during admission and at the end of admission process so that the students can freely exercise their informed choice.
7. The information on availability of tuition fee waiver scheme shall be provided to the candidates, institution wise and discipline wise through Information brochure, Counseling brochure and website etc. The selection of candidates for tuition fee waiver shall be decided during the Counseling based on merit from amongst the eligible candidates. An eligible candidate shall have an option to exercise his/her choice of Institutions and discipline of study during Counseling for availing benefits of the scheme.

8. The Institutions shall provide the following information to the AICTE, concerned State Govt. and affiliating University:

1. Particulars of each beneficiary including name and rank of the students who have been granted tuition fee waiver in each discipline/branch of study, and
2. Details of the students admitted against the additional seats including name and rank etc., according to merit prescribed for regular admission.

The Institutions shall also display such information in their websites for information to the students and other stake holders.

9. The tuition fee waiver to a student shall be for the duration of the course i.e. four years for Bachelor courses in Engineering & Technology, Pharmacy, HMCT and Applied Arts and Crafts, and three years for Diploma students and five years for B. Arch course. Once a student is given Tuition Fee Waiver, the same shall be continued for the normal course duration.
