

TEXTILE TECHNOLOGY DEPARTMENT

Presents

TEXCELLENCE 2016

Date: 16th & 17th September 2016

A Brief Report

It gives us immense pleasure to share with you all the highlights of Techfest 2016. Textile Technology Department had celebrated “TEXCELLENCE’16” on 16th and 17th September, 2016. The main attractions of TEXCELLENCE’16 were –

Text Quiz (16th September, 09:00 to 10:30 am)

In this event, participants formed team of two members. There were three rounds viz. preliminary round, semi-final and final round. Each was a buzzer round where each team ensured their position in events by giving quick response of multiple choice technical questions by pressing buzzer. After completion of each round lowest performing teams were eliminated and finally winner teams were announced. There were total **72** participants involved in this event.

TexApp (16th September, 11:00 am to 01:00 pm)

It was an individual performance event. In this event, total 10 samples of technical textile were displayed. Every participant passed through samples to identify each sample with its application area within 2 minutes of time period. This event tested the observation skill and general awareness of students for various products of technical textile. This event attracted total **51** students to participate..

Guest Lecture (16th September, 02:00 to 03:00 pm)

Mr. Sandeep Agarwal (Director, Manish Enterprise, Surat), was invited to deliver a Guest Lecture on “Surat textiles industries-Problems and scope”. He had shared his views on the said topic with the gathering comprises of students and faculties. We proudly state here that he is the alumni of TT-SCET passed out in the year 1999 (1st Batch). More than **60** students took the advantage of his experience and knowledge of local textile industries.

Paper Presentation (16th September, 03:00 to 04:30 pm)

In this event participants formed a team of two students or individually to present their technical paper related to textile engineering in the presence of jury. The topics were as according to the participant's convenience where they come forward to express their technical ideas in the field of latest development in textiles. Total **13** participants presented their skills in this event.

TexSnap (17th September, 09:00 to 10:00 am)

In this event, the participants were required to capture the photos of products associated with textiles available within the SCET campus excluding TT and TP departments. Finally they submitted best FOUR photos for evaluation in hard copy. The result was declared based on the uniqueness of product and its area of application. This event attracted students from all the branches of engineering including CO, IC, etc. Finally the participants' number turned to **58** amongst SCET and other institutes.

Poster Presentation (17th September, 11:00 am to 12:30 pm)

In this event, participants formed team of 2-4 members to present their poster on any recent topics of textiles and showed their creativity skill and technical knowledge. The poster presented by students were judged and questioned asked by faculties to finalize winners. Total **16** students participated in this event.

Melodrama (17th September, 01:30 to 02:30 pm)

This event was related to share participant's real life experience. The participant shared his/her real life memorable incident occurred within five minutes of time. Due to the newer event, very less participants were involved with this event i.e. **5**.

Overall, we received a very good response not only from the students of SCET but also from the students of Girls' Polytechnic and Dr. S. & S. S. Gandhi. All together there were around **215** participants registered for all the events. The entire TechFest was met with the grand success.

The TEXCELLENCE'16 was ended with the Prize Distribution of Cash Prizes and Certificates to winners and participants.

Some of the sweet memories of TEXCELLENCE'16 –
