ALUMNI LECTURE – SHARE WHAT I GAIN

Mr. Ravi Raj Desai:
Wholetime Director-
Himalaya Cotton Yarn Ltd.,
Sachin.

DATE: March 12, 2018-03-10
Time: 10:30-11:30

Venue: NJ Seminar Hall

We strongly believe that Entrepreneurship is a key driver of our economy.

Department of Textile Technology organized an interaction session under the banner of “Share What I Gain”, initiated by SCET Alumni Association for the students of SCET on 12th March 2018. The purpose of the interaction was to facilitate a talk between alumni and our present students, in order that the students may derive information regarding state-of-art practices in the Textile Industry, ideas to pursue higher studies and achieve their aspired goals.

The talk was titled: “Spinning Over View–Raw Materials, Stages Of Manufacturing And Cost Elements” and was attended by the students of BE I, BE II, BE III & BE IV (Textile Technology).

About The Alumni

The invited alumnus for this interactive session was Mr. Ravi Raj Desai - 2015 alumnus of Civil Department. He has a pursued MBA Finance after engineering. He is the Managing Director at M/s. Himalaya Industries Limited, Sachin, Surat. He is actively associated with various regional & professional bodies in different capacities and has been listed out as below:

- **National Secretary, Indian National Salaried Employees and Professional Workers Federation (INTUC).**
- **Vice President of the “Dying Bleaching and Finishing workers union and Gujarat Sharmik Hawkers Union”.**
- **Member of “South Gujarat Productivity Council”.**
- **Member of Texprocil Mumbai.**
- **Trustee at “Shramjivi Sevalay”.**
- **Nominated as a state representative to attend ILO (International Labour Organization) held in Bali in December 2016.**
- **External Project Guide at Pacific School of Engineering (GTU).**

Highlights of the interaction:

- Mr. Ravi gave a detailed presentation on spinning processes and machines covering the various technical and economical aspects.
- He made the students aware about the various allied departments other than the core manufacturing giving the importance of same.
- He discussed the various aspects of quality control practices to be followed in the spinning mill, its importance and practical implementation of these practices.
- He shared his experience about the overall management of a spinning unit and highlighted the working of cotton yarn trade & business.

Glimpses of the session:
