Report on Seminar on “Agile- Software Development Model”

Agile methods grew out of the real-life project experiences of leading software professionals, with an aim to give an clear insight about software development models to our students , M.C.A. Department had organized seminar on “*Agile- Software Development Model*”.

Speaker:	JAIVIK BRAHMBHATT
Designation	Sr. Software Tester, TOPS Technologies, Surat
Date & Time :	4th July ,2019 (1:30 PM to 3:30 PM)
Venue:	EC AV ROOM, SCET, Surat
Targeted Audience	Students and Faculties of MCA Department
Coordinated By:	Prof. Rashmi Chouhan and Prof. Manpreet Kaur
Participants:	58 Participants

The session started with introduction of Mr Jaivik Brahmhatt by Prof. Manpreet Kaur. Mr. Jaivik, gave an cognizance knowledge about below listed topics to the students.

Highlights of the Seminar	
	Introduction to IT Development
	Development Methodology and Models
	Agile Development
	Agile Manifesto
	12 principles
	Scrum
	Extreme Programming
	Diff. Waterfall and Agile methodology
	Agile Metrics

He had also discussed about the **pros and cons of the model**, so that students can get better idea about the same. He had shared his software testing experience to motivate students for opting tester as an one more career opportunity.

The session was thoroughly interactive by solving various types of queries raised by students. Their involvement showed their enthusiasm. The participants gave the excellent feedback for the seminar and requested to conduct such type of sessions again.

Prof. Zankhana Vaishnav presented a memento as a token of gratitude by following the tradition of SCET. The session was completed with a group photo with such a mesmerizing personality.

We express our thanks to **Prof. Kaushika Pal**, Head, MCA Department to motivate us for conducting such workshops and help us to get in touch with TOPS Technologies, Surat. We would like to thank **Shri Bhaskar Cheruku**, Registrar SCET, for making the process hurdle free. We would also like to extend our gratitude to **Dr. Hiren Patel**, I/c Principal, SCET Engineering, for his continuous support.

Some glimpses of enthusiasm for learning in students are shared below.

Report compiled by Prof. Rashmi Chouhan and Prof. Manpreet Kaur(Faculty Coordinators)
