Summary:

Computer Engineering Department of Sarvajanik College of Engineering & Technology organized a one day workshop on “**Intellectual Properties And Rights**” in association with MYCrave Consultancy and Services on 19thJuly2017.

The workshop was aimed to guide the participants on thinking their projects and creativity in the direction of intellectual rights and properties. Prof. Dipali Kasat commenced the session at 9:00 am by introducing eminent speakers from the I.P Cell, Mr Dhruv Brahmhatt and Ms Pooja Menon.

The I.P. CELL of the MYCrave Company had conducted 550+ seminars, addressed 25,000+ students, and covered 7+ States, 25+ cities and 75+ villages so far on the subjects of intellectual rights and properties.

Having a good amount of experience in this area, the speakers had a very practical approach and lots of real life examples so as to impart participants, better understanding of I.P.R and the laws associated with it in detail. They pointed out and cleared the myths related to the word “patent” when heard by most of the people and helped shaping the mindsets of participants in the direction of I.P.R.

The contents covered in the session included in detail about the following:
