Report on “The Wall Street” event organized at S. R. Luthra Institute of Management, Surat on 13th March, 2019

GTU Techfest Management competitions were organized at SRLIM, Surat on 12th and 13th February, 2019. There were six management competitions organised out of which one of the events was "**The Wall Street**". A competition based on stock market. The event began at 10.45 AM with a brief introduction of judge Asst. Prof. Mr. Moh. Imran Shaikh followed by brief explanation of rules and regulation of game to all participants. There were total 11 participants who participated in the event.

The event was divided into two rounds: First round- elimination round and final round- Construction of Portfolio. The first round is of Quiz round where participants are given 25 questions for 25 minutes. The participants were awarded 4 marks for each right answer and -2 marks for each wrong answer. The top eight participants participated in second round and three participants were eliminated in first round.

Top eight participants who entered in the second round had to construct a portfolio. Each participant were given 2 hours to analyze & buy shares, prepare his/her portfolio. Each participant was given notional money of Rs. 10,00,000. Participants had to earn profit on their trades. Each participant was allowed to trade in maximum 10 stocks. The live prices of BSE 30 stocks were displayed and participants executed their trades with the help of a volunteer. Each participant was accompanied by a volunteer to ensure no misconduct on part of participant. Participants used a pre prepared excel sheet to note their trades. All participants were also provided with fundamental information about the stocks for reference which can be used to construct their portfolios. Short selling was also allowed so participants could experience the real scenario of stock market. Participants had to close their trade in two hours of trading. Their positions were squared off in last 10 minutes of those who had not completed their respective trades.

The winner of the game was decided according to the profit earned by each participant. The participant who earned highest profit and second highest profit were declared winner and runner up in the event. The runner up was **Mr. Dharmil Mehta (SRLIM, Shift II, A2 Class)** and **Mr. Vivek Mangukiya (SRLIM, Shift I, A1 Class)**

The event concluded at 2.30 pm with a vote of thanks thanking the judge, participants, faculty coordinator and last but not least the volunteers.
