

Sarvajanik College Of Engineering And Technology

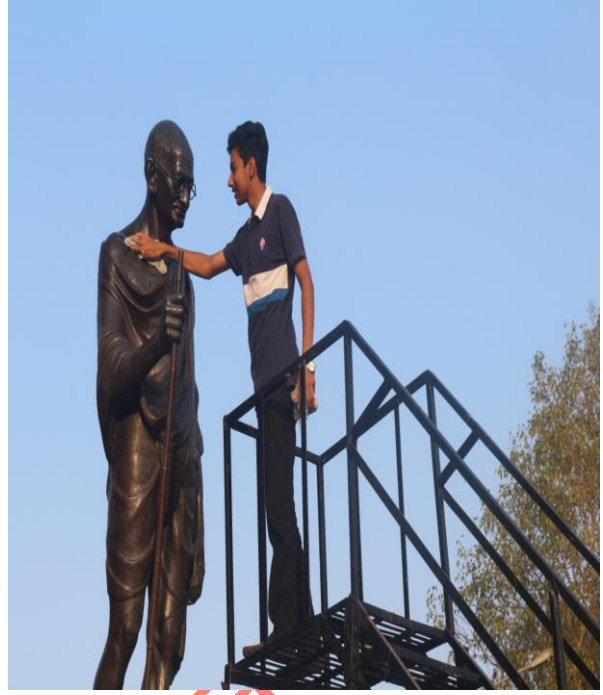

राष्ट्रीय सेवा योजना (NATIONAL SERVICE SCHEME)

Statue Cleaning

Sarvajanik Education Society has been pioneer in development of society since years. Being integral and powerful part of SES, Sarvajanik College of Engineering and Technology has always been instilling energy, dreams and development to society. SCET is encouraging not only in technical development as well as cultural and social development of students as well as society.

Our Honourable Prime Minister Shri Narendra Modi had appealed the Youths during the National Youth Festival to clean up the statues of National Icons on Republic Day. Recently on 27th January, 2016, he over Mann Ki Baat has launched "Statue Cleaning" as a National Campaign and has appealed all the citizens and specially the youths to join the initiative and honour the National Icons & Contribute in Nation Building by Statue Cleaning.

Revering our national leaders and remembering them from time to time is our moral responsibility. It becomes our duty to protect and preserve their memories for future. Under this drive NSS team of SCET organized statue cleaning drive on 5th march 2016. Under this drive volunteers cleaned the statue of Mahatma Gandhi which is situated at chowk. We did the cleaning with utter most care. The inner satisfaction and the contentment that we felt had after this activity was beyond words.
