Summary:

Computer Engineering Department of Sarvajanik College of Engineering & Technology organized a seminar session on “How to succeed in Interviews” in association with CSI student chapter, SCET, Surat on 10th February 2016.

The seminar was aimed to guide the participant students on how to prepare for and succeed in Job Interviews. Prof. Dipali Kasat commenced the session at 1:00 PM by introducing eminent speaker Mr Dinesh Anantwar and then Prof (Dr.) Pariza Kamboj welcomed the speaker with a bouquet of flowers.

The main resource person for the course Mr Dinesh Anantwar has 21+ years of global experience (USA, UK, Germany, Malaysia and India) in IT Industry and has led and managed Software Development Projects and Training with companies like Infosys, iGate, Patni, CDAC, Amdocs, Fund-Tech, Evalueserve, FIS Global, Tata Power, Credit Suisse, Vodaphone etc. He was Head Education and Research at Infosys-Pune and Global Head for Training and Certifications at iGATE Patni. He is Certified Project Management Professional (PMP) from PMI-USA, Certified SCRUM Master and Certified on Rational Unified Process by IBM. He was Member of Board of Studies at Symbiosis International University from 2004 to 2012.

Having worked at senior positions in many IT giant companies, Mr Dinesh had a very direct and practical approach of training to develop required skills and imparted useful knowledge with a lot of real life examples, best practices and pointing out typical mistakes and ways of avoiding those. He pointed out that the job market is becoming more and more competitive and with more competition, students need to know- How to be their best and also how to market themselves to hiring employers/managers.

The session covered in detail discussion about Right Mindset to prepare for Interview, Overall approach just before interview, Facing Job interview comfortably, understanding what is that interviewer is looking for , What to do (and not do ☺) during interview, Body language tips, Interview Questions - how to face them if Technical and how to face them if HR/Behavioral Questions .

Finally the session was concluded with vote of thanks by Prof. (Dr.) Pariza Kamboj. We acknowledge and thank Sarvajanik Education Society and Sarvajanik College of Engineering & Technology for providing the necessary infrastructure for conducting the seminar. We also thank Dr. Vaishali Mungurwadi, Principal, SCET for her guidance and motivation in organizing the event. Herewith we have attached some glimpses of our workshop.
