A Report of An Interactive Session: “A Journey from a Student to a Technocrat”

In the current world with cut throat competition, forget sustainability, employability has become a big question for today's students.

To establish a close interaction between the industries and the students, MCA department had organized a talk on “A Journey from a student to a technocrat” between SCET MCA alumni students and MCA students of Surat Sankul under the banner of GTU Innovation Council (Surat Sankul MCA Wing). The students – of Bhagwan Mahavir College of Computer Application (504, 559) and The Mandvi Education Society Institute of Computer Studies (563) – were invited to attend this talk.

The Interactive Session’s details are:

Date	20 th August 2016
