

Goods and Service Tax (GST)

Goods and Services tax (GST) issue has been debated since from its Implementation. Some of the individuals support the implementation of GST, some still oppose to it. The main possible reasons for Indian or the consumers unwilling to support or opposed the implementation of GST because of the fear of price hike. Majority of the respondents believed that GST would causes higher inflation. In addition, lack of information and unclear about the purpose of GST implementation, Consumers are too worried.

To Support and to help the Centre and state government in order to create awareness about the new tax regime, NSS Unit of SCET, arranged a “**GST Awareness Session**” on **13th July 2017** from **11:30 am to 12:30 pm** at **SCET EC AV Room** for all the volunteers of NSS Unit, faculties/staff members and Students of SCET.

This awareness session was also arranged in order to spread the facts and clear the myths on GST among the common people or consumers by educating the NSS Volunteers; then all these educated NSS volunteers will then start spreading the awareness in their societies and localities.

NSS unit of SCET invited **Mr. V.K Soni, Superintendent of Central GST & Central Excise, Surat** and **Mr. Manish Barot, Ex. Superintendent of Central GST & Central Excise** and an expertise of GST for GST Awareness Session at SCET.

Glimpse of the GST Awareness Session:
