With a view to inculcate in students a belongingness and appreciate the foundations of Sarvajanik Education Society, MCA Department organized screening of the **Sarvajanik तमसो मा ज्योतिर्गमय** Film and a visit to the Sir K P Sarvajanik Museum on **12th July 2017** Wednesday from 3.30 onwards. Students of MCA III and staff were fascinated by the wonderful journey of Sarvajanik Education Society right from its inception till date.

This small initiative positively brought a feeling of proud and gratitude for our own Institute.

We thank Principal Ma'am for granting permission to conduct such activity at our Department. We also heartily thank Mr Naresh Kapadiya from SCOPA who guided the museum and provided the film.

The initiative to screen the movie and visit the museum was taken by Prof Alpa Shah under the direction of Prof Gayatri Kapadia, HEAD - MCA Department.

Some glimpses for your kindest perusal.
