A Report of Workshop on “Salesforce Cloud”

In the Technology Era, to spread awareness in students about next-gen technology – Salesforce, MCA Department had organized a workshop on “Salesforce Cloud”. The main objective of this workshop was to give introduction about one of the platforms of cloud computing for the students of MCA Semester 5, as it is part of the curriculum under subject Cloud Computing. The workshop was conducted by Sr. Software Developer Ms Sikha Baid from Cognizant Technology Solutions and her team member Mr. Rutvik Majumdar. The Schedule of the workshop was:

Date & Time:	08 th August, 2018 Wednesday, 10.30 am to 3.30 pm
Venue:	MCA Lab, SCET.
Targeted Audience:	Faculty Members and Students of MCA- Sem 5, SCET
Participants:	55 Students (MCA Sem5) and MCA Faculties
Coordinated By:	Prof. Manpreet Kaur

The workshop was commenced by giving a brief introduction of **Ms. Sikha Baid** and about her team member **Mr. Rutvik Majumdar** to the audience.

This hands-on training session was on cloud computing CRM platform – Salesforce. Ms. Sikha gave deep explanation of salesforce and its demand in today’s world.

Ms. Sikha covered various aspects of Salesforce:

- What is Salesforce?
- How to build apps, triggers, classes in Apex?
- What is SaaS, PaaS, IaaS?
- How much is it in demand?
- How to get started on this?

Ms. Sikha and her team gave a practical insight in to working of cloud platform and students have performed various hands on in the lab. Their involvement showed their enthusiasm. Students’ response to the practical session was very good. The team also provided knowledge about various career opportunities to students in the field of cloud computing.

The session was thoroughly interactive by solving various types of queries raised by students and the team explained that how Salesforce is in demand in customers and in the industry so as the demand for the Salesforce geek’s admins, developers, business analysts etc. At the end of session, Ms. Sikha and her team gave goodies to all the students and faculty members.

Prof Gayatri Kapadia, Head MCA Department presented mementos to experts. The session was completed with a group photo with the team.

We would like to thank Prof. Gayatri Kapadia, Head MCA Department to motivate us to conduct such workshop. Also, we extend our sincere thanks to Dr Vaishali Mungurwadi, Principal, SCET for her relentless support for facilitating such superfluous activities at MCA Department.
