## **A Report on Workshop : *Enterprise Resource Planning***

To get deep idea about business activities and business software, MCA Department had conducted a workshop on “**Enterprise Resource Planning**” for students of MCA, CO and IT engineering. The workshop was arranged at N. J. Seminar Hall, being conducted by Senior IT-Consultant **Mr. Parth Desai** from **Ernst & Young (EY-LLP), Mumbai**. The schedule of the workshop was:

<b>Date</b>	<b>Day - Time</b>	<b>Details</b>
13th October 2015	Tuesday 11:30 Am to 4:00 PM	1. Traditional System(Legacy). 2. Overview of ERP & SAP 3. Top management support , ERP Vendor(Oracle ) , Consultant & Core Team 4. Basic ERP Concept 5. ERP implementation Lifecycle 6. ERP business module not in detail but show live system 7. Advantages of ERP 8. Certification Course. 9. How to get job in Enterprise? 10.Future in ERP Job

ERP is the theory subject of M.C.A. Sem. – 1 , this workshop was very helpful as students got good exposure about the flow of business activities and how that is integrated with ERP. The workshop also gave a deep knowledge regarding Enterprise Level job and what is future in ERP & SAP.

There was good participation from all the students and faculties from our college. We would like to thank **Prof. Gayatri Kapadia**, H.O.D. MCA Department to motivate us to conduct such workshop and **Prof. Jitendra Ajmeri** Sir, Convener, Entrepreneur Development Cell – SCET, for his cooperation and motivation. Also, we extend our sincere thanks to **Dr. Vaishali Mungurwadi**, Principal Madam, SCET for her support for facilitating such activities at MCA Department.
