

DEPARTMENT of TRAINING & PLACEMENTS

“Celebrating 108 years of Sarvajnik Education Society”

To,
 The Head,
 Department of Human Resources,

Sub. : Introduction of SCET, Surat & Invitation for Campus Recruitments

Dear Sir/Madam,

Greetings from Sarvajnik College of Engineering and Technology, (SCET) Surat !

During these days, we all have been passing through the situations beyond the control of nobody because of COVID19. All are trying to find out the best of the solutions to come out of these situations with flying colours. As a part of one such solution, we thought to introduce our fresh and enthusiastic students who have just entered into their final years (Batch 2021) and in search of their best of the options available to quick start their career. Since, you may be one of their best of the options, it will indeed be the matter of great pleasure for us to invite you to our campus with the best of your offers. We thought to bring both these ends on the same platform to help them to find the best of the solutions which will suit them, the most.

Let me introduce you to our prestigious INSTITUTE and take you through the journey of its establishments and achievements gained during this period of 25 years.....

SCET is situated in the southern part of Gujarat in the historical, Textile, Diamond and port city of Surat. **We are proud to state that we are the oldest Self-Financed Engineering College under the State Technical University - Gujarat Technological University (GTU).**

We are running the following **UG & PG** Programs in Engineering & Management:

| | | |
|--|---|---|
| Comp. Science (BE&ME) | Electrical (BE & ME) | Textile Technology (BE) |
| Architecture | Civil (BE & ME) (TP/Env/Struct) | Instrumentation & Control (BE) |
| Mechanical (BE-started in 2018) | Information Technology (BE) | Chemical (BE) |
| MCA | Electronics & Com. (BE & ME) | |

Our students have repeatedly **achieved highest positions in the Examinations held by GTU**. Our Alumni have secured challenging and highly paid positions in top ranking companies/organizations in India and abroad. Over the years, our students have got an opportunity to participate in Campus Recruitment Drives of **TCS, Infosys, Microsoft, L&T, IBM, Cognizant, Shell, ESSAR, Reliance, Torrent** etc., to name a few.

Our BE Courses of **Electrical, Electronics, Instrumentation Control & Textile Technology** are **NBA Re-Accredited for a further period of three years up to 2022**. Hereby, we join an elite club of colleges at the national level and very few in Gujarat. The National Board of Accreditation (NBA) is established by AICTE for periodic evaluations of technical institutions according to specified norms and standards. Criteria for accreditation are in line with the best international practices.

Our Chemical & TIFAC CORE Laboratory, has been accredited by prestigious **National Accreditation Board for Testing and Calibration Laboratories (NABL)**, with effect to April, 2019. NABL is a Constituent Board of **Quality Council of India**, GOI. The laboratory accreditation services to testing and calibration laboratories are provided in accordance with **ISO/ IEC 17025: 2005**. **TIFAC Centre** in Environment Research is the Jewel in our Crown. Our peer engineering colleges under this scheme of Govt. of India are some of the oldest and best in India

At SCET, we realize the importance of practical knowledge along with theoretical knowledge. This is reflected in our 180+ faculties (**One of the highest in Gujarat**) which comprises of a unique blend of youth & with experience from Industries.

We are, now, moving ahead in the area of providing READY-to-USE Technocrats to all the industries whose services can be utilised immediately after their joining with the industries. In this regard, we would like to **expect very positive support and corporation from all the esteemed industries and organisations** by way of allocating some seats for our students of 2nd/3rd year for their internships during summer vacation or any other suitable period round the year. By doing so, all the industries will get the chance to train all these students in the domains of their requirements so that on completion of studies, the services of the students can be taken directly by the industries from the day one of joining of services by the students.

About our Parent Organization - Sarvajanik Education Society (www.ses-surat.org) :

SCET is a part of the century old umbrella organization, **SES**, which was established in 1912. SES is one of the pioneers in the field of Education in the Asian Subcontinent & is one of the largest philanthropic society in India. With a campus measuring 1,13,000 sq. mts. in the heart of city, SES offers an ideal educational environment. **It is purely a philanthropic, democratic organization with elections held every two years and is sustained only through public donations.**

SES imparts high quality education in multiple disciplines to 34,000 students in 33 institutions from Pre Primary to Post Graduation. SES operates some of the oldest educational schools and colleges of India. **T&TV High school managed by SES was started in 1888.** Single-minded devotion of the pioneers of SES, inspired a series of selfless workers, public and spirited men throughout last century to volunteer to themselves to the service & growth of SES.

About our Sports / Recreational facilities

For the all-round development of our students we have best in class sports facilities including a full-fledged Gymkhana, Athletics facilities, Tennis/Basketball/Volley ball Courts with a separate Ladies Pavilion. In the past our ground used to host Ranji Trophy Cricket Matches where players of the likes of Tendulkar have played. We also have an open air amphi-theater with a sitting capacity of 300+. Technical / Cultural fests, Symposiums, Seminars are held round the year in the campus.

About our Department of Training & Placements

We have the best in class infrastructural **facilities and capability to arrange big 'Pooled Campus Drives'** to provide single point of contact for industries looking for recruitment from pan Gujarat.

We invite you to visit our campus and interact with our students to find a match between your requirements and student's capabilities. We assure you that your esteemed organization will benefit from our students and we look forward to your participation in our Campus Placement. With great pleasure, we are taking this opportunity to build and strengthen a win-win relation between your esteemed organization and us for the benefit of all stake holders.

You are therefore requested to allocate the maximum number of seats for internships of our students and inform the same to us as early as possible to help us in assigning the same to our students.

You are always welcome to our campus with offers for placements/trainings/internships of our current as well as passed out students.....

Looking forward to have live, positive and fruitful interactions with the esteemed organizations like yours during the days to come for designing the career path of our students in the ways they wanted....

Regards and best wishes.
