**A Report on Celebration of Vaan Mahotsav**

**1<sup>st</sup> to 7<sup>th</sup> July 2019**

**Vaan Mahotsav** is an annual tree-planting festival in India. This movement was initiated in the year 1950 by India's Union Minister for agriculture, Kulapati Dr. K. M. Munshi. It was started to create enthusiasm among masses for forest conservation and planting trees.

Vaan Mahotsav was celebrated at SCET on 6-Jul-2019. This year NSS unit of SCET implemented a unique concept to celebrate Vaan Mahotsav. NSS Volunteers have organised donation drive for waste plastic bottles in college campus. They requested the students and staff of the college to donate plastic bottles. These plastic bottles are used to create decorative pots for the plants. Over 100 plants with decorative plastic bottles pots are distributed among the staff members and students of SCET. They also ensured to take care of the plants which they have taken.
